

Traverse City Realtor Sells Houses Fast During Pandemic

July 22, 2020

July 22, 2020 -
Amber Cyman Real Estate, a real estate agency based out of Traverse City, Michigan, is pleased to announce that they have been selling houses fast despite the ongoing COVID-19 pandemic. Amber Cyman Real Estate is dedicated to helping the residents of Traverse City and the surrounding areas with buying and selling their homes.

Amber Cyman, founder and owner of Amber Cyman Real Estate, says, ?Even though there is a pandemic ongoing?or perhaps because of it?Amber Cyman has been noticing that homes are being sold very quickly. This, combined with the fact that there is limited inventory on the market and home prices are still high, means that a lot of properties have had their values inflated. Some places, especially ones on the lake, are up almost 20% from 2019. If you?ve been thinking of selling your home, now is a great time. This is a sellers market for sure. In fact, on our last listing, we had the property on the market for just three days until it was under contract. We had four offers, and it ended up selling for $9,000 over asking."

Cyman continues, ?No matter the situation, my goal as a real estate agent is to do all I can to ensure that my clients get the best result. Before I list any property on the market, I take time to personally get to know each and every one of my clients so that I can ensure that the transaction goes in a manner that suits their needs. Especially in times like this, that human connection is very important for me. It?s what allows me to perform as I do and help my clients to the best of my ability. If you choose to work with me, whether to sell your house or to buy one, I can guarantee that you will be 100% satisfied with the end results.?

The real estate agency, which believes that client satisfaction is their number one priority, has also recently undergone a new expansion. With the new capacities they have gained through the expansion, Amber Cyman hopes to dedicate more time and resources to each of her clients and serve them better than she has been able to before.

The services provided by Amber Cyman Real Estate have earned the realtor a reliable reputation and high praise from their clients. On the Google platform, the real estate agent has a perfect rating of 5/5 Stars. In a recent 5 Star review, Stephen Twomey praises Ambery Cyman Real Estate, saying, ?Amber is a top notch real estate agent. I would certainly recommend using her to help you buy or sell your home if you live in Traverse City or the surrounding areas. She has shown that she knows the Northern Michigan housing market extremely well. As a buyer?s agent as well as a seller's agent, Amber Cyman is a fantastic real estate agent. Whether you are looking to buy or sell a lake front property or a downtown condo, Amber can help you buy or sell your next property!?

Meanwhile, in another review, Jeremy Kemp shares, ?We had a home in Traverse City with a weird road easement that we were concerned wouldn't sell. My friend from work recommended Amber because she was very knowledgeable about handling these situations. She found a way with the surveyor and the owner to sell it at a low cost and to establish a new access point. We went on to have an offer in three days at asking price at the higher end of the comps in the area. The listing photos and video production were top notch. I would definitely recommend Amber if you are looking to sell your home.?
