The real estate firm has received a large number of reviews from pleased clients talking about their experiences with Amber Cyman. One client says in their Google review, ?We had a home in Traverse City with a weird road easement that we were concerned wouldn't sell. My friend from work recommended Amber because she was very knowledgeable about handling these situations. She found a way with the surveyor and the owner to sell it at a low cost and to establish a new access point. We went on to have an offer in three days at asking price at the higher end of the comps in the area. The listing photos and video production were top notch. I would definitely recommend Amber if you are looking to sell your home.?

Another reviewer on the same platform shares that, ?Amber is a top notch real estate agent. I would certainly recommend using her to help you buy or sell your home if you live in Traverse City, or the surrounding areas. She has shown that she knows the Northern Michigan housing market extremely well. As a buyer?s agent as well as a seller?s agent, Amber Cyman is a fantastic real estate agent.
