Demand For Security Guards Rising, Says Security Now USA

July 21, 2020

July 21, 2020 -
Security Now USA, the Best Security Guard Company in the USA, is taking steps to maximize their workforce due to the increased demand for security guards amid the pandemic.

The pandemic has exacerbated the need for security personnel, they add. The California-based company also said the massive toll of the pandemic led to thousands of job disruption. With the economic disruption too, millions of Americans have been unemployed.

With this scenario, it is becoming increasingly common for businesses and institutions to request assistance. According to the security company, businesses are getting anxious about a possible increase in looting cases with the current situation.

With this, Security Now USA assures enough security guards to answer the call of the business. The company has a poll of licensed and trained security personnel. All their guards have backgrounds in law enforcement or the military and are knowledgeable of the law. They are also licensed by the Ohio Department of Public Safety Private Investigation Security Guard Section to provide armed or unarmed

services.

"We firmly believe that the most valuable resource we offer is our team members," the security firm states.

As part of their commitment to serve the public, the Best General Security Services in the USA also assures to continue covering all locations in the United States. They also maintain their online booking services for smooth transactions. "Our booking is available online all the time, so there are no hold times or hassling with automated systems. Schedule and book your guard with ease using our system," adds Security Now USA.

The security firm also maintains a mobile app exclusively for its clients. Through the app, clients can monitor and communicate with their hired security guards in real-time. With this feature, guards on duty can easily report the real-time situation and provide immediate action. The guard's current location and history are also marked on a map on the mobile app, allowing clients to conveniently track patrolled areas.

Security Now USA provides guards for hospitals, health facilities, grocery stores, banks, hotels, construction sites, and events. The company is also a known player in specialized security services such as dispensary security, maritime security, general security, temporary security guards, and fire watch services.
