The workers worked incredibly hard to get our roof completed within a couple of days. They were professional and made sure everything was cleaned up afterwards. Our roof looks great! Highly recommend Superior Roofing!"

A similar comment, written by Marcia Bastos, attests, "Aaron at Superior Roofing went above and beyond. He did a wonderful job with our siding job that was covered by insurance for hail damage, and while on the job he noticed that some of our windows weren't properly installed (which was done a few years before the siding). He helped us get in contact with the window installer and even called him for us so that he could

describe in shop talk how the windows were not done correctly. Aaron really cares about his clients and goes the extra mile to get the job done properly. I highly recommend them."
