

Mutual Referrals Between Local Businesses Now Offered

July 30, 2020 - PRESSADVANTAGE -

Walla Painting and Steve Rupp of The Zulu Group at Keller Williams Realty have formed a referral partnership. This allows them to refer their clients to the other company for needed services.

This alliance was formed as a natural result of doing business together. Steve has helped Jonathan Walla sell his home, and Walla has painted homes that Steve had on the market. They have a mutual admiration for each other's work ethic and quality of service.

As Jonathan Walla noted, "Steve Rupp and his group are as detailed and conscientious as Walla Painting. This dedication is hard to find, which is why we rarely recommend other service companies. Steve has proved consistently that his hard work ethic and personal approach matches up with the overall mission of Walla Painting.

"Steve helped me sell my own house within hours of being listed. We had three offers right away, two which

were over asking price. Steve had a great marketing plan from the start, and he told me exactly what I needed to do to get my house sold right away with the best possible offers."

Steve Rupp knows the value of curb appeal when selling a home, which is why he recommends a new paint job to clients who he represents. He had a recent client whose home was on the market for over 45 days, with prospective buyers expressing that the home looked dated. Once they took Steve's advice to have Walla paint the home, the home sold immediately.

Steve only recommends Walla Painting to clients because he believes they are superior to other local painting contractors. In Steve's own words, "Walla Painting goes above and beyond for their clients and the owner, Jonathan, truly runs his business like a business. His quotes are spot on and his crews are reliable, polite, respectful, and professional. Jonathan always walks the job at the end with the client to ensure everything is up to the clients' satisfaction. In the off-chance anything needs to be addressed, Jonathan takes care of it right there."

Walla Painting is based in Carmel, Indiana, and serves surrounding cities like Westfield, Noblesville, Fishers, Zionsville, McCordsville, and more. They have helped hundreds of satisfied customers improve the looks of their homes, both inside and out. They also offer light commercial painting and cabinet painting.

Steve Rupp is the Team Lead at The Zulu Group. He has over 20 years of real estate experience, and The Zulu Group has been in business for over 50 years, helping people buy, sell, and build homes in the greater Indianapolis region.
