Miami, Fla. ? Awards Trophy World is a beloved store known for selling top quality promotional items in Miami, FL. The company is dedicated to helping the local community stay safe as the coronavirus (COVID-19) continues to sweep the community. As a part of this commitment, Awards Trophy World is proud to be the trusted supplier of custom germ barriers for the local courthouse.

The germ barriers were placed in the 11th Judicial Circuit Administrative office. They are large plastic clear barriers providing small holes towards the bottom for paper handling. The barriers will be a second layer of protection, beyond a mask, allowing both the court employees and those who visit the courthouse to remain as safe as possible while conducting business at the courthouse.

These germ barriers are a direct result of COVID-19 and a part of the new normal we must adjust to as a community and a nation. When used in addition to facemasks or faceguards, the germ barriers should play a large role in helping to slow the spread of COVID-19 as the community opens back up.

?We are proud to be the supplier of CUSTOM GERM BARRIERS for the 11th Judicial Circuit Administrative

Office of the Courts.? It?s an honor to know that our products are helping ensure the safety of the employees of, and visitors to our Courts located in Miami-Dade County,? stated Larry Cravez, Awards Trophy World owner.

Awards Trophy World has been locally owned and operated since 1959 and is the top choice for promotional merchandise in Miami, FL. The company strives to provide exceptional service and quality products at highly competitive prices for the local community. To help the community stay safe, Awards Trophy World is also providing custom made face masks and face shields along with custom germ guards for companies.
