August 26, 2020 - PRESSADVANTAGE -

South Meadow Ventures, LLC, a company with headquarters in Massachusetts, has announced the recent opening of their online store offering funny birthday mugs for adults of all ages. A number of the mug designs offered by the store are for specific ages such as a 40th birthday mug or a 50th birthday mug. These mugs can be given as unique birthday gifts to loved ones, eliciting a smile or even a laugh as the recipient reads the funny, sarcastic, or thoughtful message printed on the mug.

Jack Fay, a representative for South Meadow Ventures, says, "A recent study of on line search results for birthday mugs indicated more than 300,000 results for birthday mugs." This would suggest that not only are birthday mugs a great gift idea but that online shopping for a birthday mug is very common and provides a number of options when trying to find a gift for a family member, friend or co-worker who is celebrating that special day. Shoppers will find a variety of birthday mugs online including some funny, some thoughtful, and some sarcastic.

These mugs available through the online store can be given as a very special birthday gift for any adult person. Because these mugs may be used by the recipient each morning, he or she will get to remember the loved one or friend who gave the mug. These mugs may also be kept or displayed by the recipient to serve as a reminder of that particular birthday celebration and the person who gave that gift. In addition, these birthday mugs are very affordable.

South Meadow Ventures owns [www.Funnybirthdaymugs.com](http://www.Funnybirthdaymugs.com) and all of the designs were created by the store owner, its artists, or a few may be used under license. Most people will like these mugs since they offer messages that are funny, thoughtful, and even a few may be sarcastic. Meanwhile, a popular trend in birthday mugs during the spring and early summer of 2020 was related to the quarantine that was imposed in certain areas because of the Covid-19 pandemic. This may still be applicable in a few locations in the United States and elsewhere. Therefore, there are a few birthday mugs that contain messages related to the quarantine this year.

There are several birthday mugs available through the online store that focus on a particular birthday. A few of these include: "It's my 40th Birthday", "Still Young at Heart at 60", and "Turning 50 is a Beautiful Thing". There is also a wide selection of birthday mugs that are not age specific and apply to all adults. A few of these include "It's my Birthday" and "Family and Friends Together Make a Birthday Special".

People who would like to take a look at the funny birthday mugs may want to visit the Funny Birthday Mugs website at [www.funnybirthdaymugs.com](http://www.funnybirthdaymugs.com).
