

Herpes Singles Can Now Use Meetpositives.com To Date Other Herpes Singles

August 07, 2020

August 07, 2020 -

For most people, dating is a difficult task When a lifelong infection is involved, the dating process becomes a daunting task. This is why most people living with incurable sexually transmitted infections choose to avoid dating completely. However, with platforms such as meet positives, it is easy to find other positive singles who will not reject a person based on their STD status. Meet positives has created a platform where people who live with lifelong infections can mingle, date and find love again. Recently they have ighlighted the process of herpes dating.

According to a recent press statement, ?Dating with herpes can be difficult and at times, frightening. Meeting others who suffer from the same conditions offers you peace of mind. Our members understand you, understand your fears and look forward to feeling normal again.

?Don?t let HSV1 or HSV2 (genital herpes) stop you from meeting someone special. It?s not your fault for being positive, you are still in control of your happiness, Meet Positives and never have the talk again.?

According to Meetpositives.com founder and CEO, Jack Lombardi II, ?MeetPositives.com is a welcome

alternative to traditional dating. Because of this platform, individuals living with herpes no longer have to engage in difficult conversations with dating partners. MeetPositives.com makes it possible for people to take control over their condition, eliminate the emotional burden imposed by the virus, meet someone special, and pursue the life they envision.Created for STD-positive individuals, Meet Positives is an alternative to dating and a second chance for those living with a sexually transmitted disease. Our goal is to help impacted people feel normal again in a relationship through dating with herpes.

?If you are living with herpes and would like to be around people who care and provide crucial information about your status, join Meet Positives. Joining this site is easy. All you need to do is create an account and add some information about yourself to share with other herpes singles. There are thousands of herpes singles looking for someone just like you. Forget about rejections, join Meet Positives today and find someone special.?
