

Coastal Breeze RV Resort Expands To Meet Popular Demand

August 10, 2020

August 10, 2020 - PRESSADVANTAGE -

Rockport, TX based Coastal Breeze RV Resort, one of the premier RV Resort locations on the Texas Gulf Coast, is pleased to announce that they will be introducing many more RV-Bays to accommodate the surge of interest. The Resort expects to begin construction before the end of the year, and they look forward to welcoming many more visitors in the future. Today, their facilities boast a 100% occupancy rate (which is why those who wish to visit currently have to stay on a waiting list).

According to a representative from Coastal Breeze RV Resort, "The Resort has many amenities, such as a clubhouse, a swimming pool, dog park and a fishing pier. The fishing access to Salt Lake is fantastic. Also kayakers can pull their boats into the water right from our property. We are considering building a second fishing pier in the next few months." Coastal Breeze RV Resort is famous for its lush environments and incredibly peaceful surroundings, chosen and carefully maintained by the company to offer the most relaxing and stress-reducing adventure their visitors could possibly have. The location is well known for its world-class fishing, and visitors often have the privilege of witnessing some of the most beautiful sunsets in the region.

The Resort's surging popularity is due in part to their commitment to guest satisfaction, and their staff take immense pride in taking a reputation for service and superior hospitality to greater heights. As the Resort states on their website, "Whether you're visiting the Texas Gulf Coast briefly or for a while, let us provide you with a truly satisfying Coastal Breeze experience. Choose from oversized pull-through or spacious back-in sites and stay connected with our free Wi-Fi service." This is one of the biggest reasons the company is planning an expansion. Fully cognizant of their position, the Resort wants to ensure that no one who wants a truly stellar RV experience will have to settle for less.

They provide full hookup sites that accommodate 20, 30 and 50 amp service, and their luxurious RC sites are built 130 feet long (giving travelers exclusive access to land by the lake where they will remain undisturbed for the duration of their stay). However, Coastal Breeze is also known for the strength of their amenities,

including an incredibly large and unique swimming pool, clubhouse, recreational beach, covered picnic and grilling area, dog park, volleyball court and much more.

A glimpse of how much guests enjoy the amenities at Coastal Breeze RV Resort can be gained by perusing their guest reviews online. The Resort boasts a near-perfect review score on the Google platform, for instance, and the vast majority of their guests leave 5-Star reviews. For instance, a recent review from Jennifer Wyborny says that Coastal Breeze is a, "Fantastic resort with amazing views, and wonderful staff and guests. We loved our view of our private pond and also the water. Highly recommend site 205 for a private pond and view of the lake out your windows. The pool was never overcrowded, and the sunsets were amazing. Social distancing was never an issue either. We will definitely go back again!?"

Another guest who stayed earlier this year, Tim Caire, shares that they, "Arrived March 1st, 2020 for a couple of months. First thing, the staff is fantastic and friendly. The sites are roomy with manicured grass. The cement pads are level. The park is very clean, kids and pet friendly. The fishing pier is situated in a nice spot on the lake. Awesome sunsets by the water and almost anywhere in the park. Coming back this fall and winter. We have stayed at other parks in the area, this is by far the best."

More information on Coastal Breeze RV Resort can be found on the company's official website. Those who wish to inquire after their amenities, the status of their expansion, the waiting list for guests and so on are encouraged to reach out to the customer service representatives at Coastal Breeze RV Resort as well. Similarly, social media users may connect with Coastal Breeze through Facebook, Instagram and other platforms to stay up to date with their latest announcements.
