Clovis CA: Equity Assets Real Estate has announced the sale of an exceptionally maintained single-family home in Clovis CA. The home is situated in the 3,300-acre master-planned community of Loma Vista and offers great amenities for comfortable living.

On his website, Equity Assets Real Estate owner Jason Nenadov described the home as one that ?exudes the perfect blend of beauty and comfort.? It features 3 bedrooms, 2.5 bathrooms, 2,138 square feet of living space, a laundry room, and a 4-car tandem garage. It also has a covered patio for entertaining and relaxing.

Jason Nenadov described Loma Vista as a pedestrian-friendly village designed to reduce people?s dependence on automobiles. ?Its master plan includes a continuous 20-mile network of bicycle and walking trails to encourage a more sustainable and active lifestyle for residents,? he said. ?The master plan also includes a town center, complete with several shopping and dining options to provide for the daily needs of residents,? he added.

The Clovis CA home for sale also features a spacious living room and a dining room that can comfortably accommodate a 6-seater dining set, as well as a kitchen with a breakfast bar. It also has three expansive bedrooms, including a master suite that has its own large and elegant walk-in closet.

According to Jason Nenadov, the home is also ideal for outdoor gatherings, thanks to its breathtaking outdoor oasis. ?This home has a covered patio perfect for entertaining and relaxing. Furnish it with your favorite brand of outdoor furniture and you?ll have a cozy and serene spot to unwind,? he said.

His commitment to delivering maximum customer satisfaction is what sets him apart from other real estate agents.

?Since the beginning of my career, one principle has been reinforced over and over again. You won?t be outsourced to a third-party journeyman when you choose Equity Assets Real Estate for your buying and selling needs,? he added.

Jimmy Farrell, one of his satisfied clients, wrote in his review, ?Awesome agent that goes the extra mile for his clients and will work to get you into the right home for you.
