August 17, 2020 -
Clovis CA: Equity Assets Real Estate caters to homebuyers and sellers in Historic Wawona Ranch in Clovis CA. This community features a wide variety of homes by various upscale builders, including Wathen Castanos and Buchanan Estates.

The Historic Wawona Ranch community offers some of the most sought-after homes in Clovis CA, combining the best of Wathen Castanos-built homes with their Buchanan Estates models. The community is also home to some Leo Wilson-built homes in the Rivage and Wyndover collections.

Homes in the Wawona Ranch residential area were quick to draw interest from homebuyers when the development started. This resulted in many developments selling out quickly. Today, the desirability of the Historic Wawona Ranch community remains because of its beautiful properties and proximity to community parks and jogging and bike trails.

Homes for sale in Historic Wawona Ranch Clovis CA offer easy access to the Dry Creek Trail, which can get residents all the way to Shepherd Ave. or down to downtown Clovis CA and beyond. It is also linked to the Clovis Rail Trail, which provides easy access to the Clovis Community College and Clovis North High School.

For Equity Assets Real Estate owner Jason Nenadov, homes in the Historic Wawona Ranch neighborhood are among the best that Clovis CA has to offer. ?The Historic Wawona Ranch neighborhood is to be considered by many as their favorite home,? he said. ?Most people only sell these homes if they want to downsize as they get up in age. These are predominantly single-story homes that have large floor plans, large lots, and 3-4 car garages,? he added.

Equity Assets Real Estate caters to several other communities in Fresno and Clovis CA. Aside from the Historic Wawona Ranch community, it also caters to homebuyers and sellers in Chelsea Knolls, Copper River, Destinations, European Glen, Figarden, Harlan Ranch, and many more.

As an expert real estate agent who has been in the business for more than 10 years, Jason Nenadov has all the knowledge and expertise that homebuyers and sellers need for a successful real estate transaction. ?Equity Assets Real Estate is a little old school as you won?t be treated like a number but as a human being with dignity who is important and deserves my full attention,? he said. ?Buying and selling a home can be very stressful and we are here to represent you as your Realtor and to be your guide, keep you out of trouble and calm your nerves,? he added.

Kyle Smith, one of Jason Nenadov?s clients, wrote in his review, ?I?ve known Jason for a number of years. Always putting his best foot forward in life. If you?re looking for an agent that will go the extra mile and help you find a good home, Jason is your agent.?
