UptoDate Bookkeeping is an accounting services company serving Minnesota and Wisconsin. The company moved its offices from Forest Lake, MN to relocate to Blaine, MN. The services offered by the company include almost all aspects of bookkeeping and payroll. The company is either certified for or it supports most major accounting software. It also offers training sessions for business owners.

The company's bookkeeping services include accounts payable, accounts receivable, job costing, work in progress, monthly financial statements (balance sheet, income, cash flow), year-end closing, union reporting, reconcile statements, annual 1099's for subcontractors, multiple state sales & use tax reporting, budgets, and audits. The company's payroll services include employee payroll checks, federal and state taxes payments, employee benefits plans reporting and payments, child support withholding payments, quarterly and annual filings, annual insurance audits, job costing, union reporting, LCP tracking, utilization reporting, BLS reporting, E-Verify, IRS reporting agent, and HR consulting.

The company serves small to mid-size businesses in industries like IT services, professional services, and union and non-union contractors, and subcontractors. The company is a certified Intuit® QuickBooks® Pro Advisor. The company is also ProCore Certified, and T-Sheets Certified. The company belongs to the American Institute of Professional Bookkeepers (AIPB), Forest Lake Area Chamber of Commerce, and MetroNorth Chamber of Commerce.

The company's website offers a bird's eye view of the services offered by the company. It also showcases customer testimonials. In his review, Phil J. says, "They were organized and I liked their process. [They were] very responsive to my questions." Another review by Matt F. says, "Vicky and her team are great. It's a very very valuable service they provide and they provide it very well!" The website also has a client portal where existing UptoDate Bookkeeping and Payroll Services clients can log in.

The website also has a blog section where clients can learn about the fundamentals of bookkeeping, job costing, and payroll management. The company president and founder, Vicky Savage, said that the purpose of the blog is to educate clients about the importance of solid accounting practices for their business. She adds, "We believe that it is important to be proactive in informing the clients about the solutions that we offer. We are offering a very valuable service that will take a huge burden off many businesses' shoulders. The blog is a great way for business owners to learn about what we do and why it is an essential requirement to transform the way they do their business. It helps us find businesses that need our help the most."

When asked about the philosophy behind the company, Vicky says, "We know how hard it can be run to a business. Accounting inefficiencies can compound any business owner's woes. Our team is committed to providing a convenient and personalized service to save you time and maximize your profits. We do so by offering a service that is tailored to your individual needs. We take the time to discuss your financial statements and goals and create a bookkeeping or payroll plan that serves you. We want you to focus on providing value to your clients while we take care of all the busywork. While you focus on your core strengths, we make sure your business runs like a well-oiled machine. You don't have to waste your energy dealing with accounting problems. Trust us with that responsibility and you will be astonished as to how large of a stride you take in your industry. We believe that every business is a puzzle that needs to have a clear, full picture, and we believe that we can fill the bookkeeping "puzzle piece" to complete that picture and ensure your success!"
