Panama City, Fla. ? CCS Floor Care is a professional cleaning company that specializes in carpet cleaning services in Panama City, FL, as well as a myriad of other services, such as tile cleaning, grout cleaning, and upholstery cleaning. They place abundant care in ensuring that their clients receive high-quality cleanings, provided with excellent customer service that always includes an air of professionalism. In fact, they are a certified firm with the Institute of Inspection, Cleaning, and Restoration (IICRC) and would like to explain to their community what exactly that entails.

Founded in 1972, the IICRC has made it their mission to advance the global establishment of standards when it comes to the inspection, cleaning, restoration, and installation industries. They place great value on respect, responsibility, integrity, excellence, and expertise. The organization is made up of over 60,000 certified technicians, as well as over 6,000 certified firms around the globe, CCS Floor Care being one of them.

The IICRC offers a myriad of technician certifications, some of which include carpet cleaning, carpet repair and reinstallation, commercial carpet maintenance, floor care, house cleaning, upholstery cleaning, fabric cleaning, leather cleaning, and wood floor maintenance. If a firm wishes to become entirely IICRC certified, they can apply to do so. The firm then must acquire the knowledge to pass the certification exams, which is obtained by attending the courses offered by IICRC. When a firm is IICRC certified, an individual can be confident that the firm knows and upholds the industry standards.

When it comes to professionalism and a quality cleaning job, clients desire a carpet cleaning company in Panama City, FL that is expertly trained and will always give attention to detail. With the training that CCS Floor Care gained while becoming certified with the Institute of Inspection, Cleaning, and Restoration, they have the knowledge to provide quality floor cleaning with the utmost level of care and professionalism.
