August 27, 2020 -
The coronavirus pandemic highlighted the need for efficient disinfection and cleaning service in South Carolina and all places across the globe, according to Carolina Carpet Cleaning, the Best Environmentally Safe Cleaning Services in Beaufort, SC.

Mass disinfection of private establishments, roads, and public places have been mandated since the coronavirus disease started to take lives. With this in mind, Carolina Carpet Cleaning developed its technology to provide the most efficient disinfection services in Hilton Head, Beaufort, and Bluffton, SC. "Disinfecting our home, workplace, and other public areas will now be our new normal," the company states.

The multi-location company also guarantees that their products are safe for humans and the environment. They only use products approved by the United States Environmental Protection Agency. Their EPA-approved fogging solution kills bacteria & viruses, including coronavirus. "It is safe to be in the fogged area even immediately after being treated. There is also no need to wipe the surface after fogging," the company claims.

The Best Disinfecting Services in Hilton Head, Beaufort, and Bluffton, SC likewise assure to have a strong workforce to meet the growing demand. Carolina Carpet Cleaning also said they follow the strict protocol and the guidelines set forth by health agencies on disinfecting.

"Our home cleaning and disinfecting services are designed to give you the peace of mind you deserve and the time you need to enjoy your life and loved ones," says Kevin Snow, the company owner.

Apart from disinfection services, Carolina Carpet Cleaning has been serving South Carolina homeowners since 1993 as the best carpet cleaners in the area. They serve clienteles in Beaufort and surrounding local areas such as Bluffton, Hilton Head Island, Savannah, Ridgeland, Hardeeville, and more. "The key to our success and total customer satisfaction is consistency," adds Snow.

Carolina Carpet Cleaning is best known in the industry for its carbonated cleaning solutions. Unlike traditional steam cleaning that can damage the integrity of the carpet pile, a carbonated cleaning solution prolongs the carpet's life. The five-start cleaning company also cleans upholstery, tile and grout, and oriental rugs.

The topnotch cleaning business also provides specialized services such as pet odor removal, and auto, boat & camper interior cleaning. They cater to both residential and commercial establishments.
