Clean Group Committed to Be a Reliable & Safe Provider of Strata Cleaning Services

September 01, 2020

SYDNEY, NSW - September 01, 2020 -
Clean Group, based in Sydney, NSW, Australia, has announced that they are committed to be a safe and reliable provider of strata cleaning services in Sydney and surrounding suburbs. They want businesses in the area to know that they have the necessary resources, personnel, and expertise to keep a strata property in tip-top shape based on health and cleanliness. They are offering their strata cleaning services to most types of strata property.

Suji Siv, owner and CEO of the Clean Group, says, ?We are a full-service commercial cleaning agency providing strata cleaning services in Sydney and the surrounding suburbs. We provide a full range of strata cleaning and maintenance services for both residential and commercial strata buildings, complexes and warehouses.?

Their strata cleaning services include a number of tasks. These include: wiping and disinfection of light switches, boards, etc. in common areas and halls; cleaning of bins, removal of garbage and replacement of liners; cleaning of cobwebs in and around the common halls, areas, roofs, etc.; cleaning of walls, windows, ceilings, floors, etc. all over the building; cleaning and dusting of drawers, cupboards, shoe racks, and more; cleaning, wiping and disinfecting furniture in the common areas of the building; cleaning of common kitchens, including wiping of spills and splashes; cleaning of windows, rails, doors, etc., including high rise window cleaning; cleaning, dusting and wiping of staircase handrails, doors, etc.; and more.

Other tasks include: cleaning, maintenance, sanitization and repairing of lifts; deep cleaning, scrubbing and mopping of floors and surfaces all around the place; living room furniture cleaning and re-arrangement and cleaning of display shelves; carpet vacuuming and cleaning using high-quality and eco-friendly products that are safe and effective; cleaning of bathrooms & toilets and restocking of supplies, tissues, hand towels, toilet paper and soap; proper removal of garbage in a healthy manner; sanitization of sensitive places such as toilet seats, light boards & switches, door handles, telephones, etc.; disinfection of all hard floors and

surfaces, including staircases, roof, etc.; and cleaning & sweeping of car park area of your building; and cleaning and polishing of mailboxes for cobwebs, dust, etc.

Suji Siv also wants to highlight the many things that make Clean Group stand out among other strata cleaning companies. First of all, they make use of cleaning methods that really work. Having over 20 years of experience in commercial cleaning, they are well-versed in the cleaning techniques that are suitable for each type of project. Second, they make use of high-quality cleaning solutions and equipment. These are cleaning solutions that have been certified to be safe for children and the environment.

Third, they have certified and trained strata cleaners who follow modern but low-cost cleaning methods that provide optimum results. Fourth, they offer cleaning services that are both reliable and flexible. Fifth, they offer a satisfaction guarantee, which means that they will do everything they can to make sure that customers are happy. And finally, they can provide same day strata cleaning for urgent or immediate cleaning requirements.

Clean Group provides a wide range of strata cleaning services property owners can choose from. These include routine cleaning, internal-external window cleaning, office cleaning, carpet cleaning, gym cleaning, medical centre cleaning, school cleaning, childcare cleaning, and more.

Meanwhile, the cost of strata cleaning will depend on a number of factors, such as how much material, how much time, and what type of equipment will be required for the specific type of cleaning needed by the business. Clean Group?s sales managers can visit the strata property for a free on-site visit to determine the best cleaning program and the corresponding price.

For a property owner or business to hire strata cleaners, they only need to follow three steps. They will contact the company through the phone to schedule an inspection of the property. Next, they will discuss their specific cleaning needs. And finally, they will review the quote provided by the Clean Group and finalize the deal.

Property owners in need of professional strata cleaning services may want to check out the Clean Group website at https://sites.google.com/site/commercialcleaningsydneynsw/cleaning/strata-cleaning, or contact them on the phone or through email.
