Security Now USA Transitions To New Normal

August 30, 2020

August 30, 2020 -
Security Now USA, the 24 Hour Security Guard Service in the USA, is making adjustments on its operation for the 'new normal.'

With the lifting of the stay at home orders and as businesses start to thrive again, security service providers are likewise realigning their programs towards the new normal. ?The role of security service personnel is more critical than ever,? adds Security Now USA.

The security company says their team is well-positioned to deal with these new challenges. Security Now USA guards have been trained on how to conduct when people return to their workplaces, especially in greater numbers. All guards are likewise oriented on workplace safety and security protocols.

These include the required mask-wearing. Monitoring of employees' temperatures before entering the office is also mandatory. Installing dividers between workstations and ensuring that six-foot social distancing markers on floors must also be done ?the same for increased building disinfecting and health screenings.

In addition, the Best Security Guard Provider Company in CA employs the use of technology in its operation. There is no need to meet hired guards in person. Through a mobile app, business owners of security heads

can communicate with the guards on the ground.

The Security Now USA mobile app, exclusive to its clients, allows real-time reporting. Guards on duty can report real-time situations without leaving their posts. The mobile app also allows clients to track patrolled areas conveniently.

Likewise, Security Now USA employs an online booking service for hassle-free automated systems. Our booking is available online all the time, so there are no hold times or hassling with automated systems. Schedule and book your guard with ease using our system," adds Security Now USA.

Security Now USA provides guards for businesses, health facilities, grocery stores, banks, hotels, construction sites, and malls. The company is also a popular name in specialized security services such as dispensary security, maritime security, general security, temporary security guards, and fire watch services. To check the complete list of their services, visit their official website at https://www.securitynowusa.net/.

Security Now USA is licensed by the Ohio Department of Public Safety Private Investigation Security Guard Section to provide armed or unarmed services. The company has a poll of licensed and trained security personnel with backgrounds in law enforcement or the military and are knowledgeable of the law.

"We firmly believe that the most valuable resource we offer is our team members," the security company says.
