Clean Group Announces Sydney?s Most Affordable Office Cleaners Services

September 04, 2020

SYDNEY, NSW - September 04, 2020 -
Clean Group, a Sydney-based commercial cleaning agency is proud to announce the most affordable and quality-oriented office cleaning services for businesses in and around Sydney. The company wants to let the customers know that they are open for business during the COVID-19 pandemic and can take care of all their disinfection and sanitising needs along with complete office cleaning. Clean Group has the best-in-class resources, teams, and experience to clean a large office facility and keep it in a first-class condition through regular maintenance. The company offers office cleaning services to almost all types of commercial properties in the region.

Suji Siv, owner and CEO of the Clean Group, says, ?As a leading and highly experienced office cleaning company in Sydney, we are trusted by hundreds of businesses with the regular cleaning & disinfection of their offices in Sydney and the surrounding areas. We are known to offer a comprehensive range of commercial cleaning services at the most competitive rates.?

The office cleaning services offered by the Clean Group cover almost everything one can ask for, including the cleaning of floors, window cleaning, wiping & disinfection of boards, light switches, furniture, desks, doorknobs, etc., garbage removal, dusting, carpet cleaning, toilet cleaning & sanitising, cleaning of bins and basins, grout removal, kitchen cleaning, wiping of common-use surfaces such as kitchen-top, computer, keyboards, desks, telephone receiver, lift buttons, staircase handrails, and more. Also, they can take care of high rise windows and ceilings upon request.

Besides office cleaning, the Clean Group offers a wide range of commercial cleaning and maintenance services, which include strata cleaning, medical centre & hospital cleaning, gym cleaning, school cleaning, church cleaning, carpet cleaning, after builders clean, moving-in clean, warehouse cleaning, childcare centre cleaning, etc. Having a trained and experienced team of office cleaners enables the company to offer all these services in a truly efficient manner and customised to the clients? needs.

Another thing to know about the Clean Group is that they offer office cleaning services at the most inexpensive rates in the industry. In fact, the low cost of cleaning is one of the many things that make Clean Group truly stand out from the competition. Suji Siv here points out that the Clean Group?s rates are the lowest and designed to fit the budget of every type of business. After an on-site inspection and analysis of the cleaning requirements of a potential client, the area manager (Clean Group) will give them the best quote for their cleaning project. ?This is not just our best quote, but the best price you?ll get in the market,? says Suji.

Among other things that make Clean Group better than other office cleaning companies in Sydney, one is their unique and high-quality cleaning method that involves using green & eco-friendly solutions, equipment, etc. to achieve safe cleaning results. Having over 20 years of experience in the industry, the company cleaners are familiar with all kinds of cleaning conditions and have knowledge of the best cleaning techniques suitable for different projects.

Having a team of highly expert and certified cleaners gives Clean Group a unique edge over the competition. Their cleaners are trained in the cleaning methods that can deliver maximum results at the least cost. In addition, the company is highly trusted by their existing customers and appreciated for things like huge reliability and flexibility. They are so flexible that one can hire them on a day?s notice for urgent (same-day) office cleaning needs. All the cleaning services of the Clean Group come with a 100% satisfaction guarantee, which means they would not rest until the customer is happy with the service provided.

Clean Group provides an extensive range of office cleaning services, from which customers can choose as per their requirements. These include one-off cleaning, daily/weekly or fortnightly cleaning, routine cleaning, high rise window cleaning, COVID-19 disinfection & sanitising, carpet cleaning, after builders clean, among others.

To hire the best office cleaners from Clean Group, a person only needs to follow three easy steps. First, they need to call the company or contact via the company website to schedule an on-site inspection. Second, they can share their cleaning needs & instructions with the expert who visits to inspect the property. And last, they need to review and finalise the quote provided by the company.

Business owners and offices looking for professional & low-cost office cleaning services should check out the Clean Group website. Also check out how Australian businesses partnering with Clean Group for high productivity & safe environment.
