

New Riverside Jeep Location is Now Open

September 12, 2014

September 12, 2014 - PRESSADVANTAGE -

Lake Elsinore, CA -- The new Riverside Jeep Dealership has announced that it has opened its doors in the Riverside County area. With its reputation for providing efficient services that result in a safer vehicle, customers of the Lake Elsinore, CA region can rest assured that their Jeep vehicles are in good hands.

The sales staff of Riverside Jeep Dealership is ready to assist customers in finding their dream Jeep, while the service department maintains Jeep vehicles, to ensure they are safe to drive and ride in. Jeep recognizes their customers' loyalty, and is therefore committed to helping them understand the sales process so they end up with satisfactory results. Test drives are always available, so shoppers can get a feel for each Jeep model before making a final decision.

The dealership's new and pre-owned inventory of Jeep vehicles includes the 2014 models. The lineup includes the Jeep Grand Cherokee, the Cherokee, the Compass, the Patriot, the Wrangler Unlimited, and the Wrangler. Pre-owned vehicles are inspected to ensure that both their exteriors and interiors are free of damages. The dealership also has a three-day/300 mile money back guarantee return policy.

The dealership's prices are the most affordable at the market rate value. Sales representatives are willing to work with customers who have bad or no credit, so clients can sit behind the wheel of their own Jeep in no time at all. Riverside Jeep also has new car specials featuring prices that can't be found anywhere else.

Riverside Jeep's parts supplier is Mopar, which works to ensure that customers get the most efficiency out of their vehicles' parts. The parts are custom made for Jeeps, and have been checked thoroughly to ensure that they are in line with the supplier's high standards. Mopar produces a wide range of OEM parts for Jeep, from tires to roof racks. In addition, the supplier gives customers the flexibility to modify their own Jeep models. Mopar also makes OEM parts for Chrysler, Dodge, and Ram.

In addition, Riverside Jeep Service has the Auto Body & Collision Shop, the one-stop-shop for all Jeep owners' needs. From major automobile accidents to replacing a cup holder, the professional technicians of the body shop are qualified and experienced in all areas of body repairs. Offered services include car rentals,

towing services, computerized estimates, insurance processing, and quality repair services.
