Introducing the All-new Melbourne Office Cleaning Service by Clean Group

September 09, 2020

SYDNEY, NSW - September 09, 2020 -
Clean Group, an Australia-based commercial cleaning company, is proud to introduce an all-new and first-of-its-kind, dedicated office cleaning service in Melbourne. As one of the country?s oldest and most trusted cleaning companies, Clean Group presently caters to the cleaning needs of a variety of commercial businesses & properties in hundreds of suburbs of Sydney, Melbourne and Brisbane. Now, the company is introducing their new Melbourne Office Cleaning Service for office facilities in Melbourne and surrounding suburbs.

As a commercial cleaning company with over 20 years of experience, Clean Group is trusted by hundreds of businesses with the routine cleaning of their offices. According to the company CEO and owner, Suji Siv, Clean Group provides office cleaning services to over a hundred regular and many more occasional clients across the country. ?We have a team of more than 50 dedicated and full-time cleaners who can take care of all your cleaning needs for any kind of property, including office, warehouse, retail store, hospital, restaurant, childcare, school, etc. We provide services in all the major suburbs and can arrange a cleaner team on a same-day notice,? says Suji Siv.

One of the reasons why Clean Group?s services are preferred by businesses is the professional attitude and friendly behaviour of their cleaners. Having a huge experience in the industry, they perfectly understand and cater to the cleaning needs of local businesses. The company provides office cleaning services to both routine and casual clients. The routine cleaning work involves cleaning and disinfection of an office facility on a daily, weekly or fortnightly basis.

Clean Group is trusted by hundreds of businesses across the country as a reliable cleaning agency for all their cleaning needs. Their cleaners are all experienced personnel, having at least 2 years of individual experience in industrial cleaning and trained in following safe & effective cleaning practices. Ever since its inception, Clean Group has been working with commercial properties like offices & stores, providing quality cleaning at affordable rates. Being a locally made and grown company, they are trusted by everyone.

By introducing a dedicated office cleaning service for their clients in Melbourne, Clean Group has enabled businesses to leverage their highest standard of cleaning at very competitive pricing. Offices in Melbourne can now hire a cleaner by simply calling the Clean Group sales team or by dropping an email to them. They can arrange a cleaning team on the same day or as per the client schedule for almost all kinds of cleaning requirements.

According to the Clean Group owner, their cleaning services cover everything, from basic cleaning & dusting, floor cleaning, carpet cleaning, wiping of furniture, desks, computers, arts & frames, etc., cleaning of bins & garbage removal, toilet cleaning & disinfection, among others. They also now offer COVID-19 cleaning services to help offices in Melbourne maintain a safe & germ-free environment for their employees. Their cleaners use a unique disinfection method, called Defence Shield, that involves the use of an electrostatic sprayer with Zoono-71 Surface Sanitiser and kill up to 99.99% germs from a surface with up to 30 days of protection.

For the cleaning of sensitive places like hospitals, medical centres, childcare centres, etc., they use colour-coded cloths along with certified-safe cleaning solutions like Viraclean, which is proven to remove a variety of germs & bacteria from the surface and is safe for the environment. The use of green solutions and cleaning practices by their cleaners is probably another reason why Clean Group is preferred over other cleaning agencies in Melbourne.

Clean Group commercial cleaning agency is committed not just to clean offices but also to protect the health of their customers. They only hire experienced and police-tested cleaners and then train them in safe & the best cleaning practices. To hire an office cleaner with Clean Group, one can contact them through their website or phone/email. Their area manager will give a free service quote after thoroughly analysing the project requirements and details.

With the start of the new office cleaning services in Melbourne, Clean Group will be providing trusted and reliable cleaning services to offices in the city and the surrounding suburbs, click here to review all suburgs locations:
