

Riverside Jeep Offers 30-Minute Oil Change Or It's Free

September 15, 2014

September 15, 2014 - PRESSADVANTAGE -

Lake Elsinore, CA -- Riverside Jeep Dealership offers any Jeep vehicle owner a convenient deal for oil services. The dealership's service department will give a same-day, 30-minute oil change, or the service is free. This work makes life easier for Riverside Chrysler Dodge Jeep Ram owners, who say they are without their transportation for over one week when having automotive work done at other dealerships.

The team of car experts at the Riverside Jeep Dealership only uses the best oil to keep vehicles running smoothly. The combined aspects of fast service and quality products used in rendering those services ensure that customers will leave the grounds with their car in the best possible shape.

In addition to the 30-minute oil change, Riverside Jeep offers parts replacement, tire service, brake inspection, and other maintenance services. For customers who want additional services performed on their vehicles, Riverside Jeep Dealership provides rental cars and a free shuttle service. The service department staff wants customers to easily handle their daily activities, even though they may be without their own transportation for a while.

Customers who want certain parts of their automobile replaced can also request such service. As the supplier of original equipment manufacturer (OEM) parts, Mopar's reputation as a top car parts manufacturer guarantees the authenticity of its products. Only certified technicians install these parts, in order to ensure optimal performance. Customers can even shop the online store for Mopar components on the dealership's website.

Not only does Riverside Jeep offer convenient services, but the department also makes the wait comfortable for customers. Free Wi-Fi is available on the premise, and the department has employees who are able to assist Spanish speaking customers.

Whether customers purchased their new or pre-owned vehicle at the Riverside Jeep, or if they are seeking the expertise of professional technicians, owners can drop off their vehicles at the Riverside Jeep service department and trust that their transportation will receive the best care.

Riverside Jeep parts and service departments are open Monday through Friday, from 7 a.m. to 6 p.m., and Saturday from 8 a.m. to 4 p.m. The departments are closed on Sundays. A coupon for the 30-minute oil change is available as a clickable PDF on the Lake Elsinore Chrysler Dodge Jeep Ram website.

About Riverside Jeep
