Santa Maria, CA based Binz 2 You is proud to announce that they have launched their new website where clients can book Santa Maria dumpster rentals online at their convenience. Binz 2 You is a local company that offers affordable roll-off dumpster rentals for all sorts of jobs and projects.

Binz 2 You have bins that are perfect for any job that requires waste management and removal. They offer multiple dumpster sizes for clients to choose from so they can get the size they need. The choices include 10-yard dumpsters (perfect for cleanouts, yard projects, small furniture removal and other jobs in tight spaces) and 20-yard dumpsters (great for home renovations, landscaping projects, roofing jobs and more). Those interested may give them a call and inquire further about sizing as well. They also have an online guide that provides assistance with choosing the size of the dumpster that can be safely accommodated by their clients? property and will best suit their needs.

Binz 2 You has also taken measures to simplify their dumpster rental service. Clients can now use the company?s secure online booking system to book a dumpster whenever it is convenient for them to do so. They only need to follow a simple set of instructions to book a waste bin. First, they have to browse Binz 2 You?s collection of dumpsters and choose the one that they need. Then, they can choose the delivery date and the pickup date. Next, they have to input their contact, delivery and payment information. Their payment

will then be processed, and they will receive a receipt via email. Lastly, they will have to wait for Binz 2 You to contact them and set a delivery window that works best with the client?s schedule.

Binz 2 You asserts that they truly care about the environment. They work with local governments and landfills to ensure that all junk and waste is disposed of properly in a way that is compliant with hazardous waste regulations. They also donate and recycle junk whenever it is possible to do so.

The company has also taken steps to offer aid to local communities. They have partnered with the Good Samaritan Shelter and KCOY during the Spring Food Drive, for instance, and they have contributed to the Children?s Miracle Network (and sponsored a neighborhood clean up day). They also started an annual campaign in 2012 called ?Fill the Binz.? This campaign seeks to raise funds for local non-profit organizations by conducting scrap metal collection and recycling. Binz 2 You promises that they will do more to help the community as time goes on. Those interested may stay up to date with Binz 2 You latest actions by connecting with them on Facebook.
