The Funeral Program Site Now Offers Memorial Candles and Full Couch Casket Panel Inserts

September 29, 2020

September 29, 2020 -
The Funeral Program Site, based in McKinney, Texas, has announced that in addition to their popular half couch casket panel insert, they now offer full couch casket panel inserts personalized with the loved one?s photo(s) and 3 lines of text. Each personalized casket panel is made to order to the loved one?s specific custom size on quality canvas material for an elegant memorial and tribute. Fast delivery is provided. Orders can be shipped the same day if ordered before 1PM CST. The casket panels can be left inside the casket or kept with the family for a memorial portrait suitable for framing.

Memorial candles are also available and these are lighted to honor the memory of a loved one during a funeral ceremony, memorial service, death anniversary, or at any time of the year. Candle lighting is a symbolic gesture that pays honor to a loved one who had passed away. It is usually done when the family of the departed soul wants to pay their respects to the memory of their loved one. The memorial candle can be personalized with specific names, dates, and even a photo of the departed loved one. Memorial candles are available at The Funeral Program Site in wax, glass styles, or LED in different sizes.

The Funeral Program Site makes use of special materials and imprinting methods to provide unique memorial candles that can be used as timely and durable memorial keepsakes. They have a wide selection of beautiful in loving memory candles suitable for display at a memorial service or as a lasting post service keepsake that can be passed through generations.

The Funeral Program Site, which is a well-known provider of funeral announcement templates, offers casket head panel inserts that are designed to fit inside the head panel of a funeral casket to provide a personalized presentation of the departed loved one with a photo and some personalized text. This insert is made of fabric that is wrapped around a foam board or other durable material. It is inserted in place of the conventional panel of a casket for a custom-tailored look. This insert may be kept inside the casket upon burial or removed to serve as a keepsake for the surviving family in honor of their loved one.

Carole Galassi, the Creative Director at The Funeral Program Site, says, ?Our beautiful custom casket head panel inserts are created precisely to fit your loved one's casket and adorned with our special artwork done to perfection. The panel is inserted into the casket easily for a wonderful tribute during the service and can be removed prior to burial, if desired for a forever keepsake item. Our custom casket panel inserts are made of a sturdy board and wrapped in soft peach skin material and can be used with any casket brand. Add up to 2 photos or great with just your personalized text.?

They also offer ready-made DIY templates for funeral programs. This template is a ready-made file that contains filler text on a particular background. These templates offer a fast and easy way for the family of a departed loved one to create a printed memorial without having to come up with it from scratch. This template can be edited using software, such as Microsoft Word, Apple Pages, or Publisher. It may then be printed on a home printer, at a local copy shop, or The Funeral Program Site can print it.

They offer a wide range of DIY, easy-to-use templates for funeral programs. They are available in a broad range of funeral program designs layout to help the family make any kind of program, memorial bookmark, card, or announcement. They also have a range of funeral related clip art and elegant word art to choose from. All of the templates are delivered with an immediate download so that the family can begin editing the template right away.
