Jennifer W., the customer who gave them one of the most recent five-star reviews, says, ?My experience here at North Edmonton Kia was fantastic. Andre's service was excellent and I highly recommend him when you're looking to purchase a vehicle. He saw to it that I was well taken care of and the service provided was to my specific needs and I got exactly what I wanted. Thank you so very much Andre. Additionally, I wish to thank Justin and Harnam as well. Thank you all at North Edmonton Kia.?

Robert Aaltonen says, ?With almost 500 reviews on Google, we have an overall rating of 4.1, which means that most of the reviews we have received from customers are five-star reviews. Nevertheless, it still pleases us to receive a highly positive review from a customer like the one from Jennifer W. because it tells us that we are on the right track. For us, customer reviews serve as feedback that tells us if that we are doing the right thing when it comes to customer service. Rest assured that we will continue to do so, and even make some improvements whenever possible.?
