Panama City, Fla. ? A beloved member of the Panama City business community since 1984, CCS Floor Care is known for providing affordable carpet cleaning in Panama City, FL of the utmost quality. Not only has CCS Floor Care always made it a top priority to serve their clients with both professionalism and excellence, but they are also devoted to helping their community in any way they can. This month, CCS Floor Care is informing the Panama City community of a wonderful fundraising opportunity they are offering.

To help local organizations raise money for their respective causes, CCS Floor Care offers a five percent money-back fundraiser. The way it works is that when an organization participates in this fundraiser, they will receive email campaigns, cards, flyers, and more in order to get the word out to members of the organization. From there, those who wish to contribute to the fundraising effort will contact CCS Floor Care and schedule a cleaning. To ensure that their participation in the fundraiser, the individual must mention which organization they are supporting, or they can provide the code that was assigned to their particular organization.

Every month, CCS Floor Care will gift the participating organizations with a check for five percent of the revenue from every job booked by their fundraiser participants. It is as simple as that. When an individual schedules a cleaning, the price is not influenced by whether they are supporting an organization; there are no hidden or built-in charges. CCS Floor Care takes pleasure in supporting local organizations, so they will always give the five percent donation as a true gift with no strings attached. To partner with CCS Floor Care and participate in this fundraising opportunity, an organization can reach out today via email dispatch@floorcare911.com or phone (850) 265-4204.
