

DUI Attorney Emilio De Simone: The Only ACS Forensic Lawyer-Scientist In Denver

September 21, 2020

DENVER, CO - September 21, 2020 - PRESSADVANTAGE -

Denver, Colorado based DUI Law Firm Denver is proud to announce Emilio De Simone, founder of the law firm, is the only ACS Forensic Lawyer-Scientist in all of Denver, and one of only two lawyer-scientists in all of Colorado. DUI Law Firm Denver is dedicated to bringing their unique combination of knowledge, skills and experience to the fight on behalf of their clients.

Emilio De Simone says, "If you find yourself facing a DUI case, it can be of great concern to you. You're nervous, and you're scared. At DUI Law Firm Denver, we know what you're going through, and our whole team is dedicated to helping you make the best of the bad situation that you have found yourself in. While many other Denver attorneys will say the same thing, we can proudly say that there is something that makes us the clear, better choice to be by your side. That's the fact that I am the only DUI Lawyer-Scientist in all of Denver."

Recognized by the Chemistry and the Law Division of the ACS, the ACS Forensic Lawyer-Scientist Designation is awarded to lawyers who have demonstrated a keen scientific mind and the ability to use validated and legitimate science in the pursuit of justice. These are lawyers who have studied the science

and are able to apply it legitimately in the courtroom. They are able to expose invalid or non-validated science and ensure that justice prevails.

As one such ACS-CHAL Forensic Lawyer-Scientist, Emilio De Simone and his team are able to bring extensive training in DUI-related science to the table. The DUI Law Firm Denver team is able to critically examine whether the opposing side has made any mistakes or cut any corners when testing blood or breath. With extensive knowledge in gas chromatography and related tests, DUI Law Firm Denver assures that if there has been a mistake, they will find it.

De Simone says, "You may not realize it, but there is a lot of nuanced science that the prosecution will be depending on to charge with a crime. While this is a factor that might go entirely ignored if you work with any other DUI attorney, that's not the case with us. We use exact science to defend cases, successfully helping our clients get the best possible outcome from a bad situation."

The unique services provided by Emilio De Simone and his team at DUI Law Firm Denver has allowed the law firm to earn a lot of praise from their clients. On the Google platform, the law firm has a perfect rating of 5 out of 5 Stars. In his recent review, Ian Jackson writes, "Emilio was fantastic throughout my ordeal. He was always available, honest and professional. His expertise and knowledge have no equal. I have never been in trouble before so I was extremely nervous, but Emilio knew exactly what he was doing and was able to clearly explain all possible outcomes. My case was dismissed with no fines or fees - the perfect outcome. I strongly recommend their services."

Meanwhile, in another review found on the law firm's website, a user by the name of BA says, "When I received my DUI, it was one of the toughest challenges I had to face. I knew I needed an experienced criminal law attorney to help get me through the court process. After meeting with Emilio and his entire team, I knew I was in great hands. Their knowledge about the law combined with years of experience made me feel extremely confident going through this difficult time. The DUI Law Firm team walked me through every step in a timely fashion, never leaving my side, making it a successful outcome. I am extremely grateful for what they have accomplished for me."
