

Roofing Contractors In Glastonbury CT Share Recent Customer Review

September 23, 2020

September 23, 2020 - PRESSADVANTAGE -

Slavin Home Improvements, a Manchester, Connecticut based roofing contractor, is reaching out to the wider community to share a recent review left by a satisfied customer. Since 2011, the company has been dedicated to offering high quality roofing services to the residents of Glastonbury, Manchester, and Central Connecticut communities.

The review in question was left behind by James Burgess. It reads, "Zak came highly recommended following a need caused by a large windstorm that caused a tree to damage the house. With Zak's tenacity, knowledge, and guidance, we were able to get a reluctant insurance company to reimburse for repairs that were necessary but not covered in the original insurance settlement proposal. It actually cost three times the original estimate made by the adjuster that overlooked much of the work necessary to do the siding and roofing jobs right! This probably would not have gone well without his input and willingness to work with and get after the insurance people. The communication, timeliness, and workmanship were very good, yielding a great result. I would highly recommend considering Slavin Home Improvements for your projects."

Zak Slavin, owner and founder of Slavin Home Improvements, says, "When I founded this company back in

2011, I did so with the intent that every part of this company would have honesty, integrity, and hard work woven into it. Now, nine years later, I can gladly say that I have kept up to that promise. Every day, the whole team at Slavin Home Improvements strives to provide all of our clients with the best home improvement services in all of Connecticut. Seeing clients like Mr. Burgess reach out to us like this, it truly warms our hearts. We love to see our hard work and effort recognized.?

Zak Slavin has nearly 15 years of experience in the construction industry and nearly 10 years in the roofing industry. At Slavin Home Improvements, he provides roofing and replacement services. On top of that, the company also provides other services, such as siding installation and repair services alongside gutter installation, protection, and repair services.

James Burgess' review isn't the only positive review Slavin Home Improvements has earned. The company's Google profile boasts a perfect 5-star rating from over 200 reviews. In another Slavin Home Improvements customer review, Jamie Johnston says, "Zak and his team did an excellent job on replacing our roof. They were able to install our roof and gutter guards in just one day. They did a great job cleaning up, too. He was timely and fantastic with communication. He took the time to answer all of our questions along the way. His price was very fair. We highly recommend Zak!?"

Meanwhile, in another review found on the company's Facebook profile, Hank Zethner says, "Zak and crew showed up on the date and time promised and made quick work of our roofing repair! We'll be having them back this fall to install covers on our gutters. Professional work and a pleasure to deal with! Thanks again, guys!?"

Slavin says, "From Day One, the whole team at Slavin Home Improvements has been dedicated to providing our absolute best for all of our clients. We believe this is what has allowed us to earn the trust of all of our clients, and we are proud to say that we intend to continue providing the same level of quality for as long as this company stands. This is why we can easily say that if you are looking for any kind of home improvement project done in Connecticut, Slavin Home Improvements is your best choice. Feel free to reach out to us, let our qualified staff come and assess your situation and discuss the options we can offer you.?"

Those searching for roofing contractors in Glastonbury CT or simply want to learn more about Slavin Home Improvements and their services are welcome to visit the company's website to get started. Slavin Home Improvements also maintains a presence on Facebook where they frequently post updates, share media, and communicate with their customers.
