September 25, 2020 - PRESSADVANTAGE -

Riverton, New Jersey based Liberty Waste & Recycling recently hosted their grand opening in Pennsauken, New Jersey. Since their inception, Liberty Waste & Recycling has been providing commercial and residential dumpster rental services to the residents of New Jersey and the surrounding areas.

Steven Dickey, a representative for Liberty Waste & Recycling, says, "Whether you need a small dumpster rental to place in your driveway as you clean out your garage or you're working on a major home renovation in Pennsauken, we have good news for you. Liberty Waste & Recycling is opening a new branch in Pennsauken, and we are looking forward to providing our commercial and residential dumpster rental services for the local community."

He continues, "Whatever project you are doing that is in need of a dumpster, the one place you need to reach out to is Liberty Waste & Recycling in Pennsauken. We've got everything that you could possibly need. With roll-off dumpsters of varying sizes to choose from, there's really no project that is too big or too small for us to handle. So, whether you're simply planning a spring cleaning project at your home or you're a contractor who needs reliable equipment for your job site waste removal, know that we have you covered. We have the capacity to serve homeowners, business owners and contractors alike, and we are equally glad to help you all."

The locally owned-and-operated business is focused on providing an easily accessible system for all their customers. Liberty Waste & Recycling prides itself on its straightforward online ordering, prompt service and exceptional customer care. Those who want to rent a dumpster can use the company's 24/7 secure reservation system at any time they wish. Alternatively, dumpsters can also be rented by directly calling Liberty Waste & Recycling and consulting with a member of their team. Liberty Waste & Recycling states that their main objective is to help the community get rid of their unwanted trash, junk and waste

without any hassle ? while completing their projects quickly and efficiently.

Dickey says, "When it comes to choosing a company you can trust for your residential or commercial dumpster rental needs, you won't find a team more committed to excellence than the one here at Liberty Waste & Recycling. Every single member of our team is dedicated to finding waste management solutions that work for your project, and we work hard to make sure that your project timeline stays on track by delivering on-time, every time. We don't make you wait around or chase us down to book the waste management equipment you need for your next project. Our team is reliable, experienced and here to help make the process of renting a dumpster simple and hassle-free."

Liberty Waste & Recycling boasts a group of highly trained and experienced drivers who take the highest precautions possible to ensure that all roll-off dumpsters are delivered safely and right to the customer's sites. The company assures that they are careful to avoid any unnecessary damage to property. They are also a green conscious company, which in practice means that they do their best to ensure that all waste products are disposed of properly or recycled when possible. Their dumpster rentals are great for all kinds of projects. More information about Liberty Waste & Recycling can be found at the following link: https://www.instagram.com/libwaste_com/.
