

# STX Dumpster Rentals Opens in McAllen Texas

*September 25, 2020*

September 25, 2020 - PRESSADVANTAGE -

STX Dumpster Rentals has held its grand opening in McAllen, Texas, to offer rolloff dumpster rentals for both residential and commercial waste disposal needs. These rolloff dumpsters are provided for rent by the company to help clients handle, waste, junk, and debris of all shapes and sizes. These are heavy-duty bins with low and sturdy walls that are easy to load on special trucks to transport massive amounts of waste material. This company is committed to providing affordable dumpster rentals whether the need is for small residential dumpsters for a home cleanout job or large commercial dumpster rentals for a huge construction project.

Shane Thrailkill, a spokesperson for STX Dumpster Rentals, says, "As a local business with long-time roots in the area, you can trust that we care about our community and our customers. We go above and beyond to make sure that you have the equipment you need to get the job done right. We're proud to deliver our bins to homeowners, renters, business owners, contractors, and more. No matter what type of job you have coming up or what type of material you need to get rid of, you can count on us to take care of it for you. We offer flat-rate pricing so that you always know what to expect, and our prices are affordable so you can spend less on your waste management and more on other parts of your project."

Clients can easily book online their dumpster rentals requirements through a simple step-by-step process. First, they will specify the dumpster rental size that is needed for their project. Next, they will choose delivery and pickup dates from the company's calendar. Then they will provide the delivery, contact, and payment information. The payment will then be processed and a receipt will be sent to the client via email. They will get in touch with the client a number of days before the delivery date to schedule a time frame that will fit the client's schedule. More info about their services can be gleaned at [https://www.youtube.com/watch?v=cl\\_HktWfmlM](https://www.youtube.com/watch?v=cl_HktWfmlM).

Shane Thrailkill says, "At STX Dumpster Rentals, our goal is to save you time, money, and headaches. We make the process easy and we're here for you when you need us. We welcome you to reach out with

questions at any time. Book your roll-off dumpster rentals today and set your waste management and removal on autopilot.?

STX Dumpster Rentals serves the waste disposal needs of McAllen and other neighboring areas. These include San Benito, Harlingen, Primera, Brownsville, Raymondville, Sebastian, Lyford, Weslaco, Alamo, Pharr, Edinburg, Mission, Los Fresnos, South Padre Island, Penitas, Donna, Val Verde, La Villa, Santa Rosa, San Carlos, Elsa, Rio Hondo, Combes, Edcouch, La Paloma, El Ranchito, Rancho Viejo, Laureles, Arroyo City, San Perlita, Port Mansfield, Olmito, Progreso, San Juan, Monte Alto, La Joya, Penitas, Palmview, Altas Palmas, Laguna Vista, La Feria, Mercedes, Santa Maria, Bluetown, Santa Monica, and more.

Rolloff dumpsters are bins with open tops and have been designed to be lifted onto special rolloff trucks that will transport the waste and other debris to a waste disposal site. Clients are able to avoid the difficulties of having to transport massive amounts of waste to the landfill or waste disposal center. Instead, they only have to put the waste material into the bin and STX Dumpster Rentals will handle the transport of the rolloff dumpster to the landfill, recycling center, or any other type of waste disposal facility.

The 15 yard dumpsters from STX Dumpster Rentals have a capacity of 15 cubic yards or equivalent to four truck loads. They are usually applicable for landscaping projects, garage cleanouts, single-room renovations, and other medium-sized cleanup projects. The 20 yard dumpsters can contain 20 cubic yards or equivalent to six truck loads. These are often useful for construction project cleanups, total home renovations, home cleanouts, large landscaping projects, and various other kinds of projects.

Those who would like to learn more about the rolloff dumpsters available for rental for their residential or commercial project may want to visit the STX Dumpster Rentals website, or contact them on the telephone or via email. They are open from Monday to Friday, from 9:00 am to 5:00 pm.
