

# Clean Group Offers The Most Trusted Strata Cleaning Sydney Services of All Time

*September 23, 2020*

SYDNEY, NSW - September 23, 2020 - PRESSADVANTAGE -

Clean Group, a Sydney Based Professional Cleaning Company is pleased to announce that their Strata cleaning Sydney Services has become the Most Trusted Strata Cleaning Sydney Services of All Time.

The Company is engaged in the business of providing professional cleaning services in and around Sydney. Clean Group has been actively making places like home, offices, strata, commercial and industrial places clean for the last two decades. The company is one of the most trusted companies in Australia for commercial cleaning, but now their Strata Cleaning Sydney Services are also being appreciated by their customers.

CEO and owner of the Clean Group, Suji Siv said that "Providing Cleaning services at Strata managed Properties is tough job due to the density and size. But no worries, we are having extensive experience in working with both Strata Managers and Owners Corporations to cater to the cleanliness requirements at these places. We have been providing quality cleaning services at these places for years, but in the past few years Our company became the first choice of Strata Managers, Owners, and tenants for overall professional strata cleaning."

During the announcement the owner of the company also mentioned that they are focused on providing effective and inexpensive strata cleaning services for Strata managed Properties located in and around 100+ suburbs. Other than Most Trusted Strata Cleaning Sydney Services, the company also provides carpet cleaning, medical centre cleaning, office and commercial places cleaning, gym cleaning, industrial places cleaning, school cleaning, and childcare cleaning services at really affordable costs.

Suji Siv, further added that "Clean Group is a full-service professional cleaning agency providing strata cleaning services in 100+ suburbs located in New South Wales, Victoria, and Queensland. We are actively providing a full range of strata cleaning and maintenance services for both commercials as well as residential

strata buildings, complexes and warehouses.?

The Clean Group is offering the Most Trusted Strata Cleaning Sydney Service. Their services include a number of tasks including wiping and disinfection of switches, boards, door handles; cleaning of bins, and staircase handrails; removal of garbage; replacement of linens; cleaning of each and every corner; cleaning and dusting of corners and roofs, etc.

Their services also include cleaning of walls, windows, ceilings, floors all over the building; cleaning and dusting of drawers, cupboards, shoe racks, and more; cleaning, wiping and disinfecting furniture, desks in the common areas; cleaning of kitchens, including wiping of spills and splashes; cleaning of windows, rails, doors, etc.

Their Strata cleaning services also include sanitization, cleaning, maintenance and repairing works at the lifts. They will also do deep cleaning, scrubbing and mopping of floors and surfaces in all places. Their services also include cleaning and re-arranging living room furniture and cleaning display shelves.

As per their official website, they will also conduct vacuuming and cleaning using effective and eco-friendly solutions. These solutions are recognised safe for everyone, environment, and pets. The company's staff will also clean bathrooms & toilets and they will restock the supplies, tissues, hand towels, toilet paper and soap. As per information available on the official website they will also remove garbage and waste in a healthy manner.

One of their team members said that "Due to the pandemic, people are now getting aware about the germs, viruses. Additionally, they are also aware of the surfaces which can be a medium of transmission of such viruses and germs from one person to another. Thus, our service includes sanitization of such places and surfaces such as toilet seats, telephones, staircase railing, lift's buttons, light boards & switches, door handles, etc. We are also providing disinfection services at strata places for all hard floors and surfaces, including staircases, ceilings, etc. Not just inside of the strata building, but we are also good at cleaning & sweeping of parking areas of your building and cleaning and polishing mailboxes.?"

Clean Group has 20 years of practical experience of providing quality strata cleaning, they have all the required equipment, a responsive team of 50 cleaners, knowledge, and eco-friendly solutions. Strata Managers and Owners who are looking for residential and commercial strata cleaning service providers in New South Wales, Victoria, and Queensland can contact Clean Group today to make their strata building clean, and can also read this blog to know more <https://www.pressadvantage.com/story/38292-clean-group-announces-australia-s-most-affordable-strata-clea>

ning-services. Those interested can contact Clean Group through the official website or through direct email or call.
