Water Damage Restoration Service in Atlanta, Georgia, MoldStar Remediation, Amongst the Highest Rated Companies

September 22, 2020

September 22, 2020 -
The water damage restoration service in Atlanta, Georgia, MoldStar Remediation recently received yet another glowing customer review, praising the owner?s knowledge, customer service, and communication. The locally owned and operated company is one of the highest-reviewed mold cleanup companies in the area, combining value and expertise in their value proposition to homeowners.

In the most recent review, the company received on Google Maps, Brandon Wits describes his experience with MoldStar Remediation ?We had A water leak in our office space this past weekend, and MoldStar was quick to get everything dried out after the plumbers fixed the issue. I highly recommend this company if you have moisture problems or a water leak; they did great work and they were super professional.?

Jeremy and his team at MoldStar Remediation are one of a handful of companies in Atlanta, GA that can claim to have perfect 5-star reviews. Reviews and testimonials from customers like Mr. Wits have been a regular occurrence now for years. In another recent review, customer, Garfield Grime said, ?I used MoldStar Remediation Mold Removal services six months ago and wanted to add that after constant heavy rain over

the last few weeks our basement has kept completely dry. Expected to go down there and see a pool of water but instead everything was dry. This is a credit to the professional work undertaken by Jeremy and his team. Highly recommend. Thanks again.?

Shelton takes great pride in the service that he and his team provide to Atlanta homeowners who are suffering from mold problems. Having had his own health-related issues caused by mold, Shelton has made it life?s work to help others with similar problems. Shelton states, ?I try to relate my own experiences many years ago to each customer as they navigate their way through the remediation process. I believe in being upfront and honest while providing the best possible service. The greatest compliment we can receive is a referral or testimonial.?

Hiring a certified and trained mold professional is of the utmost importance, according to MoldStarRemediation.com, given that it is your and your family?s? health at risk. ?When it comes to the health and well being of your family, take the time and perform your due diligence before hiring a mold contractor. There are a lot of companies out there who have no problem taking advantage of their customers. Whether you choose to do business with MoldStar or not, make sure you?re hiring an industry expert,? Shelton says.
