

Volvo Xc40 Inventory Back In Stock At Danbury Volvo

September 25, 2020

September 25, 2020 - PRESSADVANTAGE -

Danbury Volvo, a Danbury, CT-based Volvo dealership, is pleased to announce that the Volvo XC40 is back in stock. With the pandemic causing widespread supply chain issues, the Volvo XC40 had been unavailable for the past few months, but Danbury residents who have been waiting to purchase the XC40 can finally get their hands on one at Danbury Volvo.

The Volvo XC40 is a very popular model in Danbury for a number of reasons. It is a luxury crossover SUV designed to give the driver a seamless experience when they take to the open road. The car offers a number of smart and sophisticated features as well as a highly versatile design that consistently exceeds the expectations of its drivers. The Volvo has a starting price of \$33,700 (excluding optional equipment and destination/delivery fees or any other government fee or charges from the dealer, the customer's finance company and the government). One can browse the large Volvo XC40 inventory at any time they wish now, and Danbury Volvo's sales staff are always more than happy to answer any questions one might have.

Danbury Volvo is the premier Volvo dealership in Danbury and has been for several years. The dealership has a strong and committed sales staff with years of experience, and they are ready to welcome customers to the dealership's newly remodeled showroom where customers can shop in style and comfort.

"Our extensive inventory of new 2019 and 2020 Volvo models offers you the variety needed to select the perfect option for your lifestyle," says the dealership. "We also have a wide variety of used and Certified Pre-Owned vehicles to choose from. We encourage you to browse our online inventory or stop by and allow our sales staff to assist you on your journey to find your dream car. We are conveniently located on Newtown Road in Danbury. Proudly serving Redding, Ridgefield, Newtown, Monroe, Bethel, Brookfield and many more, once you enter our dealership you become family. Stop by, and let us help you get behind the wheel of your next vehicle."

The dealership also services vehicles through their on-site service facility. The service center is staffed with factory-trained technicians who can help with any and all Volvo-related issues one might have. The service staff is committed to helping and will always take the time needed to diagnose the problem and ensure it gets

fixed the first time. The dealership's goal is to get their customers back on the road as quickly and safely as possible. Danbury Volvo is also offering XC40 lease deals which make it possible to get a Volvo at \$359 per month over 36 months with \$5,049 due at signing.

A number of people have purchased vehicles from Danbury Volvo and many have in turn left excellent reviews of the service they received. "I recently purchased a car from Danbury Volvo and felt that it was an awesome experience," says a customer named Jill. "My salesperson, Carlo, was a pleasure to work with. He was personable and knowledgeable, and I didn't feel pressured at all. He took the time to go over the car with me and answer all of my questions so that I felt comfortable on how everything worked before I left the dealership. Everybody, from the finance person to the manager, was very friendly and helpful. I would definitely recommend doing business with this dealership!"

Another customer, Armand, says, "My wife and I purchased a Certified S90 T6, and it was one of the best experiences at a car dealership that we've ever had. From the original phone conversation to the test drive and the finalizing of the deal with Carlo Juliano, we felt so comfortable and were welcomed by the whole staff. This was one of the most speedy transactions of a vehicle ever made by us. We highly recommend Volvo of Danbury. Looking forward to future dealings."

Read more about the Volvo XC40 or find a comparison of the Volvo XC40 vs BMW X1 on Danbury Volvo's website. Interested parties are welcome to contact Chris Gavin of Danbury Volvo for additional information as well.
