Hilton Head 360, the Best Media Company in Bluffton, SC, features the two new home collections of Hampton Lake.

Hampton Lake is an amenity-rich, South Carolina lakefront real estate community in Bluffton, SC, just a short drive from Hilton Head, Beaufort, and Savannah, GA. The 1,157-acre private community features a 470-acre nature preserve and 227-acre freshwater recreation lake.

Recently, Hampton Lake announced the newest addition to its master-planned community ? the Lakefront Homes Collection and the Witmer Collection. The two new home collections are featured on the website of Hilton Head 360.

The first of the two offerings is the Lakefront Homes collection with 52 estate-sized waterfront home plans from two longtime building partners, Logan Homes and Dream Finders Homes. This collection provides stunning views of either the main community lake or the expansive canal. The Lakefront Homes collection is located near the main social hubs of Hampton Lake.

On the other hand, the Witmer Collection is in traditional neighborhood design with large porches, Lowcountry architecture, and an attractive street presence with connected sidewalks. It offers 32 two-story homes built by Dream Finders Homes. This collection is near the community?s new main entrance.

The Lakefront Homes and Witmer Collections mark the final new home offerings at Hampton Lake, as stated in the article published by the Best Advertising Agency in Bluffton, SC. Buyers are urged to act fast as this is their last opportunity to purchase a newly-constructed home in a highly desirable neighborhood.
