

A Hearing Physician in Marietta, GA is Announcing the Release of a New Hearing Aid

September 24, 2020

September 24, 2020 - PRESSADVANTAGE -

Marietta, GA. ? Beltone is proud to announce the release of a brand-new hearing aid device, called the Beltone Imagine. As a local?hearing physician in Marietta, GA, Beltone USA is excited about the sound quality this new device will provide patients. The Beltone Imagine is the first of its kind to combine both a microphone and receiver in the ear canal. This technology comes as a tremendous breakthrough for the hearing aid community, as most hearing aid users complain of unnatural sound.

The innovative technology and engineering achievement led to the development of a new category of hearing aid styles now called Microphone & Receiver-In-Ear (M&R;RIE). The lack of sound-distortion and acoustical feedback is made possible by placing the third microphone directly in the ear canal using the unique acoustics that naturally occurs in each person?s ear. The new Beltone Imagine provides users with a naturally immersive hearing experience, even highlighting the sound of the user?s voice.?

?One of the unexpected disappointments for many hearing aid users is the unnatural sound produced by

popular Receiver-in-Ear styles," says Dr. John Nelson, vice president, GN Audiology & Medical Affairs. "By figuring out how to eliminate feedback, we were able to add a microphone directly in the ear canal. This delivers sound the way we are more naturally accustomed to hearing. Even our voices sound "normal." We think this advancement will get more people to use hearing aids."

The development of this technology took Beltone researchers over ten years to understand and create. The company is proud to be the nation's top hearing aid retailer with over 1,500 locations throughout North America, including the local ear care center in Marietta, GA. For more information regarding the new Beltone Imagine or any other services offered at Beltone USA give them a call at (770) 919-8324 or visit them online at <https://www.beltoneusa.com/marietta>.
