September 24, 2020 - PRESSADVANTAGE -

Peachtree City, GA. ? Beltone USA is a well-known?ear care specialist in Peachtree City, GA?that is proud to offer new hearing care technology via the all-new hearing device, the Beltone Imagine. The state-of-the-art technology took the company over ten years to develop and is considered a breakthrough in hearing aid technology, using three microphones instead of the typical two.?

The technology in the Beltone Imagine is an innovative solution to combat the issue of unnatural sound that most hearing aid users experience. The unique engineering of the device has sparked the development of a new hearing aid category called Microphone & Receiver-In-Ear (M&RIE). The technology is the first to use both a microphone and a receiver within the ear canal.

The Beltone Imagine also includes other state-of-the-art technology that Beltone devices are known for, including Bluetooth connection to Android and Apple smartphones to stream audio and 30 hours of battery life with only a three-hour charge. The device also comes in eight different colors matching any skin tone and

hair color, providing a discrete option for users. Additionally, every purchase at Beltone includes the lifetime care and protection of hearing aid devices through BelCare.?

The Beltone Imagine launched on August 27th at Beltone hearing centers around the nation. The company has also taken steps for the health and safety of patients due to COVID-19. They have provided online shopping options and telehealth appointments for current patients, via Beltone Remote care Live.

Beltone USA part of the national Beltone brand offering?ear care in Peachtree City.?The company provides free hearing tests to patients, conducted by highly trained hearing specialists who strive to find the right fit and device for each patient. For more information about hearing tests or the new Beltone Imagine give them a call at (770) 487-9030 or visit them online at?https://www.beltoneusa.com/peachtreecity.
