Pinellas Park, FL.-- Dental Assisting Institute (DAI) is known as a beloved school for students eager to pursue a career in the field of dentistry. A school for dental assistant in Pinellas Park, FL is proud to celebrate 20 years of helping students achieve their career goals. Over the past 20 years, the school has assisted thousands of students in starting a new profession in dental assisting. The school was opened in 2000 by Wendy Paquette, who still owns and operates the school to this day.

The courses offered at DAI are all Florida Board-approved and designed with today's busy student in mind. The school offers a smaller class size therefore making it easier for students to learn and comprehend the dental concepts taught. DAI offers a 10-week entry level dental assistant training program along with numerous other classes for advanced students already in the field of dentistry. All classes consist of online testing, at-home study, and on-site clinical training giving each student a dynamic learning opportunity. DAI is proud to have a state-of-the-art clinical facility that includes the most advanced digital x-ray equipment and dental software.

DAI is celebrating 20 years helping thousands start new dental assisting careers that make them smile. All

of our teachers have over 20 years of hands-on clinical experience and strive to give each student the attention needed to ensure their success," stated Wendy, DAI owner, and operator.

DAI is proud to offer continuing education courses for experienced students in X-RAY, EFDA, and CPR certification in Pinellas Park, FL. The school offers installment options to students attending the 10-week program along with day, evening and weekend class choices. DAI has been the trusted school for dental assisting education in the local Tampa Bay Area for 20 years and is dedicated to bringing a smile to student's faces as they pursue their career. For more information about attending courses at DAI give them a call at (727) 547 -4899 or visit them online at www.dai-fl.com/.
