

Leading Provider of Used Car Parts in Milton, FL Explains Their Status as a Certified Automotive Recycler Gold Seal Holder

September 25, 2020

September 25, 2020 -

Milton, Fla. ? Butler?s Auto Recycling has been a proud provider of used car parts in Milton, FL since 1977. They believe in placing accuracy, reliability, and customer satisfaction as daily top priorities, so being recognized as a Certified Automotive Recycler Gold Seal holder was an honor. This month, they are highlighting their Gold Seal, explaining what it entails, and discussing why the Gold Seal program was originally established.

The Certified Automotive Recycler Gold Seal is awarded to auto-recyclers by the Automotive Recycler Association. This Gold Seal program is often the next step that recyclers take once they have received their Certified Automotive Recycler (CAR) certification. The Gold Seal program exists to unite auto-recyclers around the common goal of improving overall quality and striving for increased total customer satisfaction. The big-picture vision is to create a higher standard for the auto-recycling industry in the future.

When an auto-recycling company is a Gold Seal holder, a person can be sure that this company is dedicated to offering quality automotive parts to their customers, as well as operate with integrity and conduct their business with total customer satisfaction in mind. Butler?s Auto Recycling is thrilled to be a part of this community of recyclers who like-mindedly strive to improve the auto-recycle industry, giving customers the high-quality experiences they deserve.

Butler?s Auto Recycling is a hub for auto recycling in Milton, FL. Their formula is simple: conduct business with the highest integrity, providing high-quality used auto parts at affordable prices. Often serving collision businesses, auto mechanic shops, and dealerships, they also welcome in individuals in need of parts to repair their own vehicles.
