Clean Group is the Most Popular Office Cleaning Service Provider Among Leading Business Houses of Brisbane

September 29, 2020

SYDNEY, NSW - September 29, 2020 -
Clean Group, a commercial cleaning agency in Australia, provides a complete range of office cleaning and maintenance services to businesses across all suburbs of Brisbane. As one of the country?s most popular and trusted office cleaning service providers, Clean Group caters to the routine and one-off cleaning needs of hundreds of commercial properties in all big and small cities in Australia, especially in Brisbane, Melbourne and Sydney. The Brisbane branch of the company is located near Queen Street Mall, Brisbane and houses a team of expert cleaners along with the Branch Manager.

Through its Brisbane branch, Clean Group caters to all types of commercial cleaning needs of local businesses in Brisbane city and surrounding suburbs. These include the routine cleaning of offices, malls, retail stores, childcare centres, schools, etc., emergency cleaning of hospitals, gyms and similar facilities, and after builders cleaning of new & renovated properties in the region. Having a huge experience of 20+ years and a really good understanding of local businesses gives them a natural edge over the competition and enables their cleaners to fulfil even the most bizarre cleaning needs of their clients. For instance, they can offer same-day cleaning on a case and availability basis. Also, their services are flexible and can be modified to meet the custom demands of the client.

Suji Siv, owner and CEO of Clean Group, says, ?You can hire an office cleaner with Clean Group for any and all of your commercial cleaning requirements. Just give us a call or drop a message on the website, and we will get back at the earliest. Our office cleaners are the best in the industry, most experienced and well-trained to provide services in line with customers? needs. Whether you are a retail store looking for routine cleaning of your premises or a high-rise strata looking to hire a professional cleaners? team, we are the right choice. Simply call our sales team to schedule an appointment.?

Booking an office cleaning service with Clean Group is easy. One can visit their website or call their sales team on 1300-073-089 for enquiries and appointments. The company offers a free first on-site inspection, where their area manager will personally visit the property in question in order to assess the cleaning needs, scale and scope. Based on his assessment, he will give the best quote for the cleaning service. If the client accepts the deal, Clean Group will assign its best team of cleaners, as per availability, for the job, who can start cleaning right away or as per a schedule preferred by the client. The same process can be used to hire routine cleaning as well as one-off cleaning services with this company.

As a licensed, bonded and insured cleaning company, Clean Group is committed to providing safe and efficient cleaning services to its customers. Their cleaners are all trained in the company?s safe cleaning practices and are instructed to use only safe, eco-friendly and non-toxic solutions for cleaning. This is one of the reasons why they are preferred for the cleaning of sensitive places like hospitals, schools and childcare centres, where the safety of people is a primary concern. Also, their cleaners follow the company?s ethics of discipline and professionalism while working on a location, which is not commonly seen among cleaners. Most cleaners will leave the place disrupted, interfere with employees? work and cause an unwanted disturbance while working. But, not the Clean Group. Their cleaners are professional to the core and are strictly instructed to maintain the discipline, which they always do. They are humble, friendly and really good at their job.

For office cleaning in Brisbane, Clean Group cleaners can be hired on a one-time or regular basis. They can provide cleaning services on a weekly, monthly, daily, or fortnightly basis, as per clients? requirements. They can also be scheduled to clean an office after work hours, so as to not disrupt the employees? work or harm business productivity in any way. They bring their own equipment, tools and solutions, so the client need not worry about anything once he has hired Clean Group. Also Clean Group cleaners uses the most advanced cleaning measures of which some are being discussed here https://www.pressadvantage.com/story/38326-clean-group-keeps-every-brisbane-office-safe-with-advanced-cleaning-measures. Their team is managed by a dedicated manager, who will oversee the cleaning operations and be in constant touch with the client, collecting feedback and suggestions.

Lately, Clean Group has also started providing office sanitising & disinfection services for local businesses in Brisbane with the aim to help them get back on their feet after the COVID lockdown and re-open their premises in a safe & healthy environment.

Any business looking to hire a reliable and safe office cleaner in Brisbane can visit the Clean Group website or get in touch with their sales team for a free on-site quote.
