# Clean Group Office Cleaners Sydney Holds The Record of Not Compromising on Quality Services

*September 29, 2020*

SYDNEY, NSW - September 29, 2020 -
Clean Group, a leading commercial cleaning company from Australia delighted to announce that it holds the record of Not Compromising on Quality Services. Even during the time when the whole world is going through a tough time due to Covid-19 Pandemic they are working and making offices and strata places clean and safe. In all these, they maintained their rating and also received positive reviews from their customers.

Clean Group is one of the most reputed names in the field of office and commercial cleaning, they have been in the business for around the last 20 years, and they are actively catering all the cleaning requirements of offices, commercial places and strata buildings.

CEO and owner of the Clean Group, Suji Siv said, ?We are glad that our company has maintained such a standard and successfully caters to all the requirements of businesses with such efficiency. Our team members are following all the guidelines released by the government about safety and maintaining social distance and after doing all the required arrangements and taking precautions they are able to provide COVID-19 cleaning in these commercial and strata premises.?

According to the official website and their portfolio, the company has been providing medical centre cleaning, carpet cleaning, office and commercial places cleaning, gym cleaning, industrial places cleaning, school cleaning, and childcare cleaning services at really affordable costs in 100+ suburbs located in New South Wales, Victoria, and Queensland.

They also received appreciation recently from many of the clients, especially offices and strata managers for maintaining a high standard of cleaning at their premises. They also added maintenance and sanitizing services for both commercial places as well as strata buildings, complexes and warehouses to provide the best and most reliable cleaning.

As per the service portfolio, there are various services but most of them feature some common and important cleaning tasks such as emptying trash, vacuuming carpets and floors, high and low dusting, sweeping and mopping floors, cleaning door handles and light fixtures, dusting windows, window sills and ledges, cleaning kitchen appliances on the outside, microwave cleaning from inside, cleaning and disinfecting the toilet, wiping countertops and outside of the kitchen cabinets, doing the dishes (often as an additional service), cleaning the sink, bathtubs and/or showers.

Thus, even if one chooses the basic plan their cleaners will perform some of the basic cleaning tasks. Their Special services include deep cleaning, COVID-19 Cleaning, move-in/move out cleaning, post-construction cleaning, window cleaning from inside and outside etc.

One of their customers who are engaged in IT business said, ?We reached them through the Google search result, And decided to hire them for basic regular cleaning of our office. They are providing a large number of services in a single basic pack services, even their basic pack includes vacuuming, dusting, sweeping and mopping the floors in all over our premise. Cleaning the bathrooms, including mirrors, toilets, showers and baths. Cleaning the kitchen, including wiping down appliances, counters, sinks and cabinet doors. Washing and drying dishes and putting them away. Their basic cleaning package was sufficient for us. We hired them and it is now three continuous years without a single problem. Clean Group has professional staff and they know how to keep commercial premises clean and well organised.?

According to the reviews available on the Google Map listing and social pages, most of their customers agreed on the fact that Clean Group is one of the finest cleaning service provider companies in Australia, they have all the required resources/ equipment; a responsive team of 50+ cleaners and technicians; unmatched knowledge and experience of their work, equipment, and cleaning substances; eco-friendly solutions; and professional-friendly behaviour.
