

Iron River Construction named in Qualified Remodeler TOP 500 for 2020

September 30, 2020

September 30, 2020 -
Chaska, MN ? Qualified Remodeler, a leading publication serving remodelers and home improvement companies in the U.S., has ranked Iron River Construction as the No. 363 on its 42nd annual TOP 500 remodelers of 2020. Since 1978, the QR TOP 500 has tracked the industry?s largest and fastest-growing companies. In 2020, the TOP 500 represented $10 billion in remodeling sales volume on over one million jobs.

Iron River Construction is a woman-owned company serving the Greater Twin Cities area. Qualified Remodeler?s editorial staff selected Iron River Construction as a 2020 Top 500 remodeler for meeting a set of criteria including installed remodeling dollar volume, total years in business, industry association membership, industry certification, industry awards, and community service.

Iron River Construction is on a mission to help Minnesota homeowners repair and remodel their homes so they can live the lifestyle they?ve always wanted. Homeowners have trusted Iron River Construction to make the right decisions to keep their project on time and within budget for over 20 years.

?Based on Qualified Remodeler?s analysis, the Top 500 firms tend to share several common attributes, including strong revenues, a commitment to customer service, insightful sales techniques and strong customer loyalty,? says Qualified Remodeler owner and editorial director, Patrick O?Toole. ?These attributes helped put the firms on this list and contribute to their success.?

Additional information on the Top 500 can be found in the August issue of Qualified Remodeler and at www.qualifiedremodeler.com/top-500-2020.
