

## **A Local Plumber in Seattle, WA Recently Held a Back-to-School Supply Drive**

*September 30, 2020*

September 30, 2020 - PRESSADVANTAGE -

Seattle, Wash.: Raymark Plumbing and Sewer is a plumber in Seattle, WA who enjoys supporting the local community whenever and however possible. The company recently supported a local back-to-school supply drive by contributing to the sponsors of the drive: Columbia Bank and the Seattle Rugby Club. The back-to-school drive provides much needed school supplies for families and students in the Seattle area.

With the uncertainty this school year brings, the drive allowed people and companies to contribute monetarily or to donate school supplies. It helped build community morale, helped those who may have lost their jobs due to the recent pandemic, and helped prepare for school in these times of on-line learning. The supplies will help kids in need to be successful and relieve stress for families who may be unsure of how to pay for school supplies.

?Raymark is happy to support Columbia Bank and Seattle Rugby on the school supply drive. Thank you for what you are doing in our community,? exclaimed Raymark representative Kevin Flynn. As a company, Raymark Plumbing and Sewer is happy to partner with others with the purpose of helping kids as they grow into future community leaders.

The back-to-school supply drive was held on Saturday, September 12th to support students as they prepare to return to school. All school supplies were handed out by volunteers at the Highland Park United Methodist Church.
