

A Company Offering?Affordable Plumbing?Services in Panama City, FL is Announcing a Hands-Free Restroom Giveaway?

October 01, 2020

October 01, 2020 -

Panama City, Fla.:??Mr. Rooter Plumbing, a company known for providing quality, yet affordable plumbing services in Panama City, FL, is commemorating their 50th anniversary by hosting a contest for local businesses, where the lucky winner will receive a brand new restroom. Not only does Mr. Rooter Plumbing believe this is the perfect way to celebrate their anniversary, but they also hope to participate in slowing the spread of COVID-19 by ensuring that the winner?s new restroom is completely hands-free.

The giveaway restroom includes flush valves, faucets, door mechanisms, soap dispensers, paper towel dispensers, and hand dryers, making this prize add up to a grand total value of $5,000 for parts and labor. While businesses continue to make many changes to their storefronts and daily operations, these touch-free restroom mechanisms will allow a business to rest easy, knowing that their restroom is not a threat to the communal effort to slow the spread of COVID-19.

During this time, many businesses have resorted to temporarily declaring their restrooms off-limits to customers. Unfortunately, this tends to cause agitation among individuals who enter the store, as well as impair the overall customer experience. Making a restroom clean and safe is the preferable option to closing it down, and Mr. Rooter Plumbing is more than ready to help a business do just that.

To enter the restroom giveaway, a business must simply fill out the form found on Mr. Rooter Plumbing?s Facebook page, as early as today. Entries will continue to be accepted until October 10th at 9 pm Pacific Standard Time. Mr. Rooter Plumbing desires for this giveaway to be a true ?thank you? for the 50 wonderful years of serving the community, so there are no strings attached and no purchase necessary for a business to enter the giveaway.
