Clean Group Launches Dedicated Office Cleaning Brisbane Service for Small to Midsize Offices

October 01, 2020

SYDNEY, NSW - October 01, 2020 -
Clean Group, a commercial cleaning agency headquartered in Sydney, now offers dedicated office cleaning services in all suburbs of Brisbane. ?We are proud to be one of the few specialized office cleaning providers in the city. Our team consists of cleaners who have great experience in the cleaning of all types of commercial properties like offices, schools, gyms, etc. We can provide both routine and one-time office cleaning as per your needs. To hire, call us today,? says Clean Group owner and CEO Suji Siv.

Clean Group has already been running its operations in all the major cities of Australia, including Brisbane, Sydney and Melbourne, providing efficient and cost-effective commercial cleaning services to local businesses. According to the company owner, they provide services in more than hundred suburbs of Australia and have 100+ routine cleaning clients. As one of the few local cleaning agencies in the country, they understand the unique cleaning requirements of different types of commercial properties and can provide personalized services accordingly. They have a brilliant team of cleaners along with access to all the latest techniques, tools and eco-friendly solutions to deliver excellent cleaning results.

?We use advanced and high-quality cleaning equipment and methods to ensure a healthier, long-lasting cleaning at your place. Our equipment is much more advanced than many cleaning companies and that makes us deliver a quality cleaning,? adds Suji Siv. For the cleaning of offices, their cleaners use state-of-the-art equipment and techniques, including HEPA multi-filtration vacuum cleaning to improve the air quality of offices and other closed premises, germicide disinfectant cleaning for the removal of germs, bacteria, etc. from hospitals and similar places, and the electrostatic sprayer application technology combined with Zoono-71 surface sanitiser to kill up to 99.99% of germs from surfaces.

Clean Group?s customer-first policy ensures that clients always get the best of their quality service along with timely resolutions of their queries. Each of their cleaning teams is accompanied by a dedicated manager, who is responsible to manage the work, progress and schedule, oversee the performance, take client?s

suggestions & feedback, and instruct the cleaners from time to time. It removes the need for the client to be present on the site in order to ensure quality work. The time saved this way can be invested in other important business tasks.

Clean Group is the most popular office cleaning provider in Australia according to https://www.pressadvantage.com/story/38496-clean-group-is-the-most-popular-office-cleaning-service-provider-among-leading-business-houses-of-bri. Also, Clean Group provides professional cleaning services to all types of buildings and commercial properties in Brisbane and surrounding areas. Their service regions include Algester, Alderley, Banyo, Brookwater, Eagle Farm, Bald Hills, Bowen Hills, Arundel, Aspley, Deception Bay, Cannon Hill, Boondall, Coomera, Caboolture, Annerley, Bardon, Gold Coast, Everton Park, Ellen Grove, Deagon, Capalaba, Hawthorne, and all other major and minor suburbs in and around the Brisbane City, Queensland. Based on the specific cleaning needs of a property, they can provide routine cleaning, same-day cleaning, after builders cleaning and one-off cleaning services. Also, they can cater to the hygienic cleaning needs of hospitals and similar businesses through a trained team of cleaners.

Among the things that make Clean Group the number one choice of hundreds of businesses across Australia, the major ones are: their huge experience of more than 20 years in commercial cleaning; the capability to maintain large, strata buildings and apartments; a team of 15+ full-time and reliable cleaners; non-toxic and eco-friendly cleaning practices; ability to serve all types of commercial places; specialized cleaning programs for childcare centres and schools; friendly & professional staff; and good experience in the cleaning of large premises like factories, large gyms and malls. They also provide pressure cleaning, gardening and maintenance services on a case-by-case basis.

Another thing that makes Clean Group stand out from the competition is their strict policy to use only eco-friendly and non-toxic solutions as far as possible along with safe cleaning practices. They use advanced tools like microfibre mops that are efficient in the cleaning of unreachable areas, high-quality microfibre cloths for removing germs & bacteria from surfaces, and color-coded supplies for hygienic cleaning of kitchens and medical centres.

They are now also providing COVID-19 cleaning and disinfection services to all types of commercial businesses with the aim to help local retailers and offices maintain safe & virus-free premises for their workers and customers.

To schedule a free on-site inspection or quote with Clean Group, one can call their 24x7 sales helpline at 1300-073-089 or visit their website.
