He worked hard to find the best and most affordable deal for us. The male finance manager is amazing too. He suggested some great add ons which helped us continue to help us drive and ride with ease. I strongly recommend this dealer to all of my friends, family, etc. to have their car buying experience at Palisades Mazda!"

Another customer left a review stating that they had the, "Best car buying experience by far." The review adds that they, "Bought a 4-year-old car last month. Jake, our rep, was easily the most warm, professional person to work with, quick to answer all questions and deliver way more than expected. Worked with Rich, the GM. He made things incredibly easy. Great price, car was delivered looking and feeling new."
