We came across Kennected, and we jumped on a call with them. They explained the platform - it sounded like exactly what we needed. It's grown my LinkedIn account to about 5,500 connections in four months, and it built a LinkedIn group to about 650 - all within 60 days, all with business owners."

Platt continues praising Kennected, saying, "they basically set us up, got us going right away, they helped us with scripts, they sent over training so our virtual systems can manage all of Kennected platforms and run it and they showed us the best ways to utilize LinkedIn overall. Ben Edson, an SEO Agency owner, also says, ?Thank you for letting us on the platform! Within the first month, we actually closed two website deals totaling over \$5,000 and a monthly subscription to our SEO program of over \$1,000 per month.
