Coastal Breeze RV Resort Expands in Rockport

Oct. 14, 2020: Named one of the best Gulf Coast Towns, Rockport has earned quite a reputation for fishing, recreational activities, boating and swimming. Visitors are flocking to Rockport to watch the bird migrations, to tour and shop the numerous art galleries, and enjoy the beaches. Rockport has long been celebrated as a place to take the family to swim, fish and relax.

Now there's even more to enjoy with the expansion of the Coastal Breeze RV Resort. Families can enjoy birding, incredible fishing, festive holiday decorations, spring break, summer fun, year-round camping and, of course, out of this world July 4th Fireworks.

Coastal Breeze RV Resort offers more amenities, more activities and more outdoor living space than most area parks. The RV Resort already accommodates 120 RVs. The next phase will soon break ground with an additional 127 sites with even more amenities which will be completed in early 2021.

The Parks' RV concrete sites and landscaped area are longer and wider than most, giving Coastal Breeze guests plenty of extra space to stretch out. The Park encourages guests to utilize the amenities and to enjoy the spacious, unique and upscale resort. The Park sits on a large parcel of land that looks out on Salt Lake and towards Copano Bay, which boasts some of the best fishing in South Texas.

RV pad sites to be delivered in January will be 30' x 80'. Each site will have 15' x 80' of concrete for the RV and 15' x 80' of the grass or landscaped areas. The Park's pull through sites are perfect for pitching bean bags, horseshoes, or just enjoying the family outdoors. The Park allows guests to set up their own outdoor kitchen or outside living areas adjacent to the camper.

Coastal Breeze is pet-friendly and offers a fenced dog park area to let family dogs run. Plus golf carts are

welcome and are available for rent just up the road. Between the beach, an oversized swimming pool, lodge, it will be tempting to stay at Coastal Breeze all year. This news is good news as people can actually live at the park year round.

Look for an adults only swimming pool, a doubling of the lighted pier, more outdoor games and an additional laundry room to be offered next year. The Park is also blessed with social directors that will plan and organize activities for each month ranging from fish-fries to chili cook-offs. And to top off each day, the Park is situated for stunning sunset viewing looking out over the water.

Reservations are open now for Coastal Breeze. Contact: Coastalbreezervresort.com or call (361) 444-4131. They are located at 3025 Loop 1781, Rockport, TX.
