The clinic is dedicated to providing high quality, exceptional cosmetic surgery for the residents of Miami and the surrounding areas.

In a recent review, Jamie Hutchison says, "I would like to thank Dr. Morales and his staff, they are very welcoming. The wait time was fantastic. They took me in right away. I met with Dr. Morales, who is friendly and made me feel comfortable. Dr. Morales is extremely knowledgeable. He explained to me exactly what he is going to be doing, he took his time and we came to an agreement on what's best for me. I met with Silvia. She is fabulous and very informative. She gave me all the information I needed. Staff members are always available to answer calls and questions. My overall experience was excellent. I'm looking forward to having my procedure done. I 100% recommend Dr. Morales to friends and family."

Dr. Morales comments, "At The Plastic Surgeon Miami, we understand the importance of looking good. Looking the way that you want is a crucial part of feeling good, it's a part of being your true self. At our clinic,

every single one of our team members is devoted and dedicated to helping our patients look and feel their very best by providing them with nothing but the highest quality cosmetic surgery in Miami. His educational background proves as much. Dr. Morales received his medical degree with honors from University of South Florida College of Medicine before proceeding to complete his general and plastic surgery residencies at the University of Illinois at Chicago (UIC). He then returned to Florida to become Vice Chief of Surgery at Memorial Hospital West and to begin his own private practice. Today, he is a proud member of the American Society of Plastic Surgeons and combines his extensive knowledge, experience and the highest of standards to achieve the most natural looking results possible for his patients. I got a breast reduction last August, and from my first visit to my last one, I have always enjoyed going to Dr. Morales's office. His staff is absolutely wonderful. They are very helpful and nice. Dr. Morales made this entire process so smooth. This was first surgery ever, and he explained everything in great detail. I felt very confident with his experience and love my results.
