October 27, 2020

SYDNEY, NSW - October 27, 2020 - PRESSADVANTAGE -

Clean Group, a Sydney, New South Wales-based cleaning company, is reaching out to the wider community to share that they are now offering cleaning services for participants of the National Disability Insurance Scheme (NDIS). Clean Group has established themselves as a provider of professional yet affordable cleaning services for both residential and commercial clients. More information about the company's NDIS cleaning services can be found here: <https://www.clean-group.com.au/ndis-cleaning-sydney/>.

The NDIS services offered by Clean Group cover a broad range of situations where a disabled person, their families or NDIS support staff might need help. The company assures that they can take on a range of tasks in and around the homes of those in the NDIS scheme, from cleaning to decluttering, carpet cleaning, furniture cleaning, laundry and garden maintenance.

Suji Siv of Clean Group says, "Everyone deserves to have a clean and hygienic life, and with our NDIS services, we are focused on providing this for the men and women who are in the National Disability Insurance Scheme. We take pride in the work we do and are glad to do all that we can to ensure that both disabled people and the people in their life can live comfortably without worrying about the minute details of things like cleaning, decluttering and so on."

Clean Group offers their services in a variety of packages that can be customized further based on the needs of the clients. To begin with, clients can choose whether they want a daily, weekly, fortnightly or monthly service. In cases where they only want a one-and-done cleaning service, Clean Group is glad to offer that as well. Siv says, "There is a reason why Clean Group has earned a place as a reliable provider of cleaning services across Australia. There is a reason why we are trusted by hundreds of businesses and residentials for regular

cleaning and maintenance of their premises. The reason is that we take pride in providing a comprehensive service that puts the needs of our clients at the forefront. It's no different with NDIS cleaning ? if anything, we are even more particular with this service. All of our cleaners are specifically instructed and trained to provide you with every kind of support and help maintain your comfort in all kinds of conditions. We understand that those in the NDIS program cannot take a day off their lives so their living spaces may be cleaned, so our team will take all care to ensure that your day to day life is not disturbed as we go about our work.?

The amount of thought and dedication Clean Group puts into their work has earned them rave reviews from their clients. In a review found on the company's website, Allannah M. says, ?If you need a one-stop cleaning solution that can do both the routine cleaning as well as some odd cleaning requests that can pop along the way, Clean Group is the best solution. I had my childcare flooded on one occasion, and I cannot imagine the stress that I had back then. Good thing that I have Clean Group as my regular cleaner, they called me and told me that they also do steam cleaning. They took my worries right there and then. We will have a long way to go, guys!?

Clean Group maintains a high quality of work across all of their branches. In the Alexandria branch's profile, a 5-Star review by Haze Blout reads, ?Clean Group was wonderful to use. We had a very unique situation, and they have been quite accommodating. I managed to make a next day appointment and communicate remotely with the partner doing the cleaning. Darrel did the job for us, and I'd recommend him to anyone looking for a dedicated hard worker who's very trustworthy!?
