

# **Clean Group Offers Complete NDIS Cleaning Services to Assist NDIS Residents & Workers in Sydney**

*October 29, 2020*

SYDNEY, NSW - October 29, 2020 - PRESSADVANTAGE -

Clean Group announced that its NDIS cleaning services have been reviewed by various NDIS support workers, participants, and members, and also the company has been recognized as an authorised NDIS cleaning provider in Australia.

Clean Group is a Sydney-based cleaning company that provides NDIS cleaning services along with other cleaning services at Commercial places like offices, gyms, strata properties and residential places, schools, hospitals, and health care centres, malls, shops, etc.

Suji Siv, Clean Group's owner and CEO, says, "At Clean Group, we have been helping NDIS support workers, participants, and members with the everyday maintenance of their homes and lives for years. We also perform a series of cleaning tasks in and around the property of NDIS participants."

"From cleaning to decluttering, carpet cleaning, furniture cleaning, laundry, and garden maintenance, we take care of it all. Our main aim is to help disabled people lead a healthy life with proper & regular cleaning and management of their homes. Based on your needs, we can offer our NDIS cleaning services on a daily, weekly, fortnight, monthly, or one-off basis," he added.

The company has an experience of over 20 years in the National Disability Insurance Scheme (NDIS) Cleaning. They have a well trained and experienced team of cleaners, along with cleaning experts. The company also has eco-friendly cleaning solutions and substances, and the mixture of all provides a very safe and effective cleaning.

As per the official website, Clean Group's National Disability Insurance Scheme (NDIS) cleaning services include basic carpet cleaning, laundry, end of lease cleaning, along with garden cleaning & maintenance, and decluttering tasks.

They perform vacuuming and mopping floors, dusting and wiping surfaces, kitchen cleaning (including sinks, taps, benches, microwaves), bathrooms (including toilets, showers, and baths spring) cleaning, furniture dusting & wiping, and disinfection under basic cleaning. Under carpet cleaning, they cover steam & dry cleaning to remove dust, dirt, stains, and hair from the carpets, upholstery cleaning, mattress cleaning, tile & grout cleaning, rug cleaning, leather protection & cleaning, and vacate carpet cleaning. Similarly, their garden cleaning & maintenance service includes grass trimming, plant cutting and trimming, fall clean-up, weeding, watering and regular care of your plants, fertilizer application, composting, cleaning and maintenance of gardens, etc.

Under laundry cleaning, they perform dry cleaning using specialized equipment and process, washing of clothes without a machine, washing with cleaning substances, specialised washing for delicate laundry, machine cleaning, machine drying, ironing/ pressing, and folding of clothes.

The Clean Group official website also provides details of their end-of-lease cleaning and decluttering services. The first one includes vacuuming & mopping floors; clearing nests, cobwebs, and insects from the walls, wardrobes; cleaning electronics, ceiling fan, air conditioners; removing stains from windows, doors, boards; kitchen, bathroom, carpet, and window cleaning. The decluttering process includes cleaning & removal of trash, arranging kitchen items, tidying up the living room, organizing bathroom items, gathering and getting rid of unused items, eliminating excess items, paring down your clothes and other items, and recycling the waste items.

Clean Group, located in Sydney (<https://goo.gl/maps/gTiaE6sUrhaLHg399>) is one of the most trusted NDIS cleaning service providers in Australia with expert cleaners, eco-friendly, safe cleaning substances. By following all the safety guidelines, they provide services even during these difficult times when the world is fighting against the COVID-19 Pandemic.

The company promises to take care of all the cleaning needs of its customers, from commercial places to complex strata facilities. The company is capable of providing the most effective and safe cleaning solutions. After cleaning, if needed, they can also provide complete disinfection services as well.

Siv reminded, ?We are providing services with various offers and discounts. Additionally, we are also providing some of our services, including COVID cleaning, for free to our new routine cleaning clients.?

Clean Group cleaners are friendly in nature, and they will make sure that the property and every corner of it remains clean for a longer time. By utilizing eco-friendly cleaning substances, they provide the best cleaning without compromising the health of customers and their pets.
