October 27, 2020 -
October 2020, Sherman Oaks, California - Besides regular guards, Security Now USA is likewise providing fire watch guards for business and property owners across the country.

The 24 Hour Security Guard Service in CA says their fire watch services' primary aim is to ensure that businesses and homes are protected from any fire outbreaks. Security Now USA assures that their fire watch guards have received rigid training on fire prevention. All fire watch guards of the security company are also familiar with different fire systems. With that, they can ensure that the fire alarm system and the sprinklers are fully operational.

Part of the role of fire watch guards is patrolling their area. They always keep an eye on possible fire hazards. In worst-case scenarios, having fire watch guards can also ensure that damage will be limited. They might save valuable properties, and most especially, lives. With these benefits, getting the right fireguard is worth the investment, says Security Now USA.

"Security Now USA professionally trained and licensed guards will give you peace of mind while protecting

your most valuable assets from fire, theft, vandalism, and helping to prevent other unwanted or illegal activity," the company stated on their website.

The Commercial Security Service Provider in the USA provides hassle-free fire watch services through their online booking system.

This booking system can be accessed by downloading the Security Now USA mobile app. Through the app, anyone can book a guard on their selected date, time, and location. Customers can also make any special requests by using the app.

The app also serves as a transparent platform that allows customers to remain updated on their guards' activities. Clients can create their portal to manage their accounts, track guard's progress, view incident reports, and communicate.

Meanwhile, Security Now USA likewise provides security services for schools, malls, stadiums, hospitals, banks, hotels, restaurants, and construction sites. They also conduct an employee background check and missing person search.

The company's primary thrust is its good reputation and its people. Security Now USA was founded on years of security and local, state, and federal law enforcement/military. They also hold a State of Ohio Department of Public Safety PISGS Class "A" license.

The Security Guard Provider Company in CA stated, "We firmly believe that the most valuable resource we offer is our team members. Each member is licensed by the State of Ohio Department of Public Safety PISGS to provide armed or un-armed services you need."
