2020 Scottsdale Golf Club Men's Rodeo Tournament to Be Held at Scottsdale Private Golf Courses

November 03, 2020

November 03, 2020 - PRESSADVANTAGE -

The Country Club at DC Ranch, a private golf and country club in Scottsdale, AZ, has announced that this year's Scottsdale Golf Club Men's Rodeo Tournament will be held on Thursday, November 12th through Saturday, November 14th, 2020. There will be 80 teams competing, playing in 8 flights of 10. Starting times will be at Holes #1 and #10 with a morning wave from 7:30 am to 9:00 am and an afternoon wave from 11:30 am to 1:00 pm. The priority of participation for teams in the field will be as follows: first priority for teams with 2 full golf members; second priority for teams with 1 full golf member and 1 sports social member; and third priority for teams with 2 sports social members.

The entry fee will be \$300 per player, which will be charged for all participants on November 2, 2020. The format has been modified from the one used in previous years and it will be a 54 holes 1 Net Best Ball of the team. A Modified Stableford Scoring System will be used and the team with the highest Overall Stableford Points will be the Overall Scottsdale Golf Club Champion of the 2020 Rodeo.

For the 54 Hole Modified Stableford Scoring System, each player will be playing his own ball on each hole. The best net score of a team on each hole will be considered as the team score. The score of each player on

the hole will equate to 1 point on the Stableford scoring system. The scoring will be as follows: -2 points for net double bogey or more; 0 point for net bogey; 1 point for net par; 3 points for net birdie; 5 point for net eagle; and 7 points for net double eagle.

This Scottsdale private golf courses tournament will be made up of 2 person teams divided into 8 flights of 10 teams based on combined team handicap indexes as of November 2, 2020. The team with the highest Net Stableford Points in their flight will be the flight champion. The team that has the highest Overall Net Stableford Points of all of the teams will be crowned as the Overall Champion of the 2020 Rodeo.

The maximum course adjusted handicap differential between partners would be 10. Thus, if the differential is larger than 10, the higher handicap will be adjusted down to keep the 10 stroke differential. The committee will do its best to obtain correct handicaps. If there is any error, the player will need to report it to the committee before to the start of the first round.

The golf course at The Country Club at DC Ranch was designed by John Fought and Tom Lehman and it is a private golf course located at the base of the McDowell Mountains in Scottsdale. It offers spectacular views from all 18 holes, making it one of the most premier locations in the entire valley. It has been designed for all levels of golfers, including children and beginning players. Nevertheless, the course is challenging enough for accomplished players, with its length, subtle breaks on the greens, and its deep bunkers.

The Country Club at DC Ranch offers a wide range of activities, including fitness, swimming, tennis, dining venues and a broad variety of social events. The club is strategically located in Scottsdale and is just minutes away from world-class entertainment, luxury real-estate, and high-end shopping.

The country club has an architecture that combines the best features of the best Western resorts of the 1920's and 1930's and those of historic Arizona. Located inside the club is the 12,200 square foot Fitness and Performance Center and the 45,000 square foot Ranch Hacienda Clubhouse. The club offers exclusive social, lifestyle, and sporting opportunities for families, couples, and professionals.
